Scapegoat, (“goat for Azazel”), in the [Yom Kippur ritual](#) described in the [Torah](#) (Leviticus 16:8–10), goat ritually burdened with the sins of the [Jewish people](#). The scapegoat was sent into the wilderness for [Azazel](#), possibly for the purpose of [placating](#) that evil spirit, while a separate goat was slain as an offering to God. By extension, a scapegoat has come to mean any group or individual that innocently bears the blame of others.

Azazel, in Jewish [legends](#), a [demon](#) or evil spirit to whom, in the ancient rite of [Yom Kippur](#) (Day of Atonement), a [scapegoat](#) was sent bearing the sins of the Jewish people. Two male goats were chosen for the ritual, one designated by lots “for the Lord,” the other “for Azazel” (Leviticus 16:8). The ritual was carried out by the high priest in the Second Temple and is described in the [Mishna](#). After the high priest symbolically transferred all the sins of the Jewish people to the scapegoat, the [goat](#) destined “for Azazel” was driven into the wilderness and cast over a [precipice](#) to its death. Azazel was the personification of uncleanness and in later rabbinic writings was sometimes described as a fallen angel.

Dit deel gaat voornamelijk over de holocaust: een brandoffer voor YaH, zodat de zonden van de joden weggenomen worden, door de zonden over te hevelen op de Fryas (Azazel/Satan) en de joden eindigen als de uitverkoren onschuldige slachtoffers van de satanische Fryas. De zondebok ideologie.

Fryas als zondebok voor de holocaust die wereldoorlog 2 heet. WO2 was deel 2 van de oorlog van Gog en Magog. WO1 was deel 1: de eerste holocaust, WO2 was de tweede holocaust. Ze zijn nu bezig voor het derde en laatste deel van de oolog van Gog en Magog: holocaust 3: de totale vernietiging van de overgebleven Fryas. de hele aarde moet gereinigd worden van de kellijpot, de satanisten aka de Fryas, zodat het uitverkoren volk de gehele aarde in bezit kan nemen. A **holocaust** is a religious animal sacrifice that is **completely consumed by fire**. The word derives from the Ancient Greek *holokaustos* (ὁλόκαυστος from ὅλος "whole" and καυστός "burnt", with **rough breathing**), which is **used solely for one of the major forms of sacrifice**. **This form of sacrifice is also known as a burnt offering.**

As an Agadic explanation this is good: but the real reason is this: the **heathen** used to build their altars with hewn stones: we ought not to imitate them....The object of all these commandments is the same, namely, that we shall not employ in the worship of God anything which the **heathen** employed in the worship of their idols.

Repentance (Hebrew: תשובה, literally, "return", pronounced "tshuva" or "teshuva") is one element of **atonement** for sin in Judaism. Judaism recognizes that everybody sins on occasion, but that people can stop or minimize those occasions in the future by repenting for past transgressions. Thus, the primary purpose of repentance in Judaism is ethical self transformation.^[1]

A Jewish penitent is traditionally known as a *baal teshuva* (lit., "master of repentance" or "master of return") (Hebrew: בעל תשובה; for a woman: בעלת תשובה, *baalat teshuva*; plural: בעלי תשובה).

I maintain that the Law which was revealed to Moses, our Teacher, and which is called by his name, aims at facilitating the service and lessening the burden, and if a person complains that certain precepts cause him pain and great trouble, he cannot have thought of the habits and doctrines that were general in those days. Let him consider the difference between a man burning his own son in serving his god, and our burning a pigeon to the service of our God. Scripture relates, for even their sons and their daughters they burn in the fire to their gods (**Deut. 12:31**). This was the way in which the **heathen** worshipped their gods, and instead of such a sacrifice we have the burning of a pigeon or a handful of flour in our worship. But if he led his brothers, sisters, ancestors, or himself, through the fire to Molech, he is not liable; or if he led his offspring, while asleep or blind, he is not liable.

Mishneh Torah, Foreign Worship and Customs of the Nations 6

The penalty of excision or stoning is not incurred unless the father delivers his son to Molech and makes him pass through the fire on his feet, leading him through. If he delivered him to Molech but did not make him pass through the fire, or if he made him pass without having delivered him to Molech, or if he delivered him to Molech and made him pass through the fire but did not lead him through, he is not liable. Nor is he liable unless he delivers some of his offspring only and leaves the others, as it is said, "Because he hath given of his seed to Molech"; "of his seed", but not all his seed.

Molech: De Holocaust 'God'

Mishneh Torah, Foreign Worship and Customs of the Nations 6
Moses Hyamson, 1937-1949

He who, of his own free will and presumptuously, offers any of his offspring to Molech, incurs the penalty of excision. If he does so unwittingly, he brings the appointed sin-offering. If the offence was committed in the presence of witnesses and after warning, he is put to death by stoning, as it is said "Whosoever.... that giveth of his seed unto Molech shall surely be put to death; the people of the land shall stone him with stones" (Lev. 20:2). Whence is it inferred that this is prohibited? From the text "And thou shalt not give any of thy seed to make pass to Molech" (Lev. 18:21), and it is further said, "There shall not be found among you any one that maketh his son or his daughter pass through the fire" (Deut. 18:10). What is the procedure? A great fire is kindled. The father takes anyone of his offspring and delivers him to the priests who are fire worshippers. Those priests give back the son to

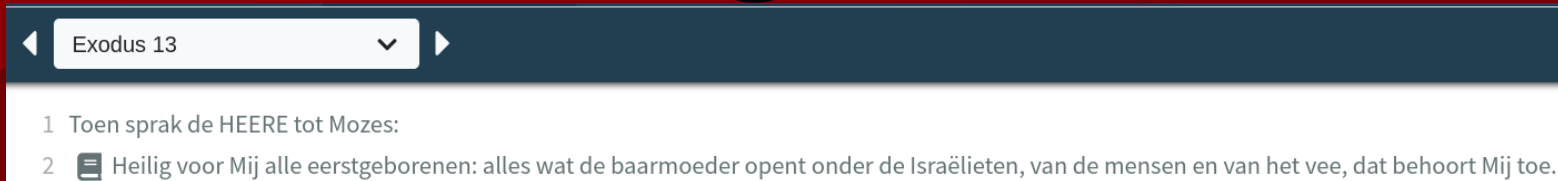

the father, after he had been delivered into their hands, that he may be passed through the fire with his father's consent. The father it is who passes his son over the fire with the priest's permission. He makes his son walk through the flames on his feet, from one side to the other. Not that he burns the child in honour of Molech, as sons and daughters were burnt in the worship of another species of idolatry, but merely passing (the child) through the fire constituted the service of the idol called Molech. Therefore, he who performs this ritual to an idol other than Molech, is not liable.

Deuteronomy 18:10) over to the priests of the idol. These lit two large pyres one opposite the other and made the child to pass on foot between the two pyres (Sanhedrin 64b). לא תתן refers to "the handing over of the child" to the priests. להעביר למלך — this refers to the "passing through the fire".

The Destiny of the Righteous

- 3 But the souls of the righteous are in the hand of God,
and no torment will ever touch them.
- 2 In the eyes of the foolish they seemed to have died,
and their departure was thought to be a disaster
3 and their going from us to be their destruction,
but they are at peace.
- 4 For though in the sight of others they were punished,
their hope is full of immortality.
- 5 Having been disciplined a little, they will receive great good,
because God tested them and found them worthy of himself;
6 like gold in the furnace he tried them,
and like a sacrificial burnt offering he accepted them.
- 7 In the time of their visitation they will shine forth
and will run like sparks through the stubble.
- 8 They will govern nations and rule over peoples,
and the Lord will reign over them forever.

First red heifer in 2000 years fulfils Bible prophecy and signals 'end of days'

The first red heifer was born in 2,000 years, which fulfils a Bible prophecy, which claims it will mark the 'end of days'

A Bible prophecy has been realised as the first 'red heifer' in 2,000 years' was born in Israel

The Temple Institute announced the birth on their YouTube channel and said the calf and its mother would undergo "extensive examination" to determine if it's "blemish free". In the announcement, the Institute said the red female calf "brings the promise of reinstating Biblical purity to the world".

De red heifer moet volledig verbrand worden om de derde tempel die gebouwd gaat worden te heiligen en natuurlijk om alle joden van alle zonden te ontdoen zodat de aarde alleen voor hun is: de uitverkoren rechtvaardigen.

This is because the whole world was created only for the sake of the Jewish people. As our Sages said : "Bereishit" —for the sake of Israel who is called reishit . Het Holocausten Van Fryas

We have deliberately left Spain to the end, as Jewish organisations can be distinctly recognised in the Spanish Civil War, When the fight broke out, the leaders; Zamorra, Azara, Rosenberg and the notorious La Passionaria, whose real name was Dolores Ibauri, were all Jews too. And those who flooded into Spain from all sides to render more unbearable the bloody plight of the Spanish people, were all emissaries of the same racial nationalism already victorious over Russia. Ilja Ehrenburg, Bela Kun, Gero Erno, Zalka Mate, the leaders and members of the notorious Rakosi-Roth brigade, all belonged, almost without exception, to the emissaries of this deranged racial group. When the hour strikes the mask falls! Christian churches and centuries-old art treasures go up in flames, drunken terrorists shoot at Christ's cross and the same "experts" again expertly crucify priests as they had done in Russia before. They scuttle prison ships with antirevolutionaries locked up in the hold, they shoot tens of thousands of captured Christian hostages in the bullfight arena. The dead bodies of one and a half million victims and martyrs cover the battlefield of a

stricken Spain. Behind all the mass misery and behind the miners of Asturias looms the same mystic power that induced the Russian sailors to revolt at Kronstadt. While the "Pink" intellectuals begin to regard this blood-bath in the light of a Passion Play spectacle, progressive bankers provide it with gold and arms. Old Testament thereby paid back Ferdinand's Catholic Spain for the expulsion of the Jews, and two decades later the American Jewish Congress had the impudence to declare that: "Up to the present day Jewry has not forgiven the Spanish nation for their expulsion."

Latvia.

The Jews and Bolsheviks hauled every Latvian who was still around out of his house before the Germans arrived. They stole the valuables, doused the houses with gasoline, and set them on fire. The Latvians who did not want to go with the Bolsheviks had their hands and feet cut off, their tongue slit, and then were left behind. They nailed men and even children to the walls.

Het Holocausten Van Fryas

Captain Rosinsky of the Polish Army, in 1918, caught by a squad of Russian communists. The bolshevik leader, renegade Warsaw Jew Berson, commissar of the Red Army, is encouraging his squad to cut Rosinsky's genitals cut off with a wood saw and drive a sharpened branch into his bowels. Rosinsky's head is blackened from the fire underneath him, and his hands are burned from trying to push away from the fire.

The Bolsheviks and Jews bestially murdered 12,000 Germans and Ukrainians. I saw pregnant women hanging by their feet in the GPU's prison. They had slit the noses, ears, eyes, fingers, hands and arms and legs of other women. Some even had their hearts cut out. 300 orphans between the ages of 2 and 17 had been nailed to the wall and butchered. After they were done with the torture, they threw the people, most of whom were still alive, into a 3 meter deep pile in the basement, doused them with gasoline, and lit them on fire. It was terrible! We could not believe that suffered if Bolshevism had reached us. The complainers and know-it-alls that we still have in the Reich should see this. Then they would know what pure Bolshevism looks like. They would fall to their knees and thank the Führer for saving Germany from such things. I and many other German soldiers have seen this. We all thank the Führer that he let us see the Bolshevik "paradise." We swear to extirpate this plague root and branch.

Soldier Fred Fallnbigl to his Parents in Salzburg, 17.7.41

...a bit more from the Soviet Paradise. I'll especially tell you about things that happened in Lemberg-Tarnopol and Tromborla. Tromborla is due south of Tarnopol. I saw the prisons in Lemberg, and saw things that struck me deeply. There were men with their ears and noses cut off, etc. They had nailed children alive by their hands and feet to the wall, butchering them. The blood was ankle deep. It didn't make any difference if they were alive or dead. They doused the piles of bodies with gasoline and set them on fire...I always think how fortunate we are that this scourge of humanity never made it to our country. I don't think that even years of preparation would make Germans capable of such atrocities.

Dresden

March 19, 1997 Kiev Evening News published a 4-page story setting record straight for first time since Allies condemned the phony "atrocities" in World War II. What is now coming to the fore is incontrovertible proof that no massacre took place at Babi Yar during the German occupation of Kiev; that the ravine was not used as a mass grave for Jews killed by the Germans. But it was a burial field between 1922-1935 for the victims of the Jewish Cheka/NKVD.

The WWII Dresden Holocaust - 'A Single Column Of Flame'
On February 13, 1945, an orgy of genocide began against a defenseless German city, one of the greatest cultural centers of northern Europe.

Within less than 14 hours England and America bombed so unexpectedly it was reduced to flaming ruins, an estimated one-third of its inhabitants, possibly as many as a half a million, had perished in what was the worst single event massacre of all time.

Democide in German city

Representation of the Hamburg democide by fire. Built by Emperor Charlemagne around 808, it was literally ravaged by Allied Bombers in July 1943, in the so-called operation Gomorrah. It was the biggest bombing campaign in the history of the air war until that time, with about 800 British Bombers throwing over 2.300 tons of phosphorus bombs over the city. The air launched fire streams of 240 kilometres per hour, at temperatures of 800° c, and unleashed a gigantic tornado of fire: the asphalt melted, and the lack of oxygen and fire ended with many of the Who tried to reach the anti-aircraft shelters. The consequences for the citizens were terrible: modern historians quantify the number of victims of the operation in 43.000 dead and 125.00, in addition to nearly 1.000.000 refugees.

A British Engineer who was aboard a lancaster bomber at 17.000 feet in height counted:

" we could smell clearly... well, it was like burnt flesh. It's not something I like to talk about..."

The schools there at Pumbeditha, Sora, and Nahardea prospered greatly, developed rabbinism, vied with those of Palestine, and continued to exist after the extinction of the latter, when the patriarchate became extinct; thus they had the last word in the settlement of Jewish law. Returning to the Jews in the Roman Empire, we find that after the reign of Vespasian and Hadrian the condition of the Jews was not only intolerable, but in many respects preposterous. But the complete reverse took place after the conversion of Constantine. The Jews, who formerly had taken a great share in the persecution of the Christians by pagan Rome, now became a persecuted and

YOU SHALL RETURN

In the days when slavery existed, the Torah decreed that there must come a time when every man goes free. Even those who resold themselves after six years of servitude, and had their ears pierced for voluntary enslavement, could not remain beyond the time of the Jubilee.

וְקִדַּשְׁתֶּם אֶת שְׁנַת הַחֲמִישִׁים שָׁנָה וְקִרְאתֶם דְּרוֹר בְּאָרֶץ

"And ye shall hallow the fiftieth year and proclaim liberty throughout the land unto all the inhabitants thereof."
[Leviticus 25:10]

These are the words chosen to be inscribed on the Liberty Bell. It is in the Jubilee year that "ye shall return every man unto his possession and ye shall return every man unto his family."

The Hebrew word for "ye shall return," תשובו (TaShuVU), seems to be spelled incorrectly. Grammatically it requires another ו (vav). It ought to read תשובו (TaShUVU).

Why is it lacking the letter ו (vav), which stands for 6? תשובו (without the "vav") is a prediction to the Jewish people of ultimate return to their national homeland. תשובו in numbers adds up to 708: ת (tav) = 400, ש (shin) = 300, ו (vav) = 2, ו (vav) = 6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. YOU SHALL RETURN

In the days when slavery existed, the Torah decreed that one must make a time when every man goes free. Every slave who served his master for six years, and had then been placed for voluntary indenture, could not remain beyond the time of the Jubilee.

The Hebrew word for "ye shall return" is "TaShuVU". It seems to be spelled incorrectly. Grammatically it requires another letter. It ought to read (TaShUVU).

Why is it lacking the letter (vav), which stands for 6? Because without the "vav" is a prediction to the Jewish people of ultimate return to their national homeland. "You shall return minus 6,000,000"; Jewish scripture relates a prophecy that 6,000,000 Jews must vanish before they can reclaim Palestine as their ancient ancestral homeland.

Jewish Math

In Jewish Math, everything will add up to six million.

"Jewish Math dictates that in all of German-occupied Europe, there were 2.8 million Jews. After the war, 3.6 million Jews applied for Holocaust reparations. Tragically, the remaining 6 million were lost."

Maw volgens de joodse 'heilige' boeken moeten er 6 miljoen joden geholocaust, gebrand-offerd, worden en dan pas mogen ze terug naar Israel verhuizen.

Teshuva = holocaust om van je zonden af te komen
Tashuvu = je zal terugkeren zonder 6 (daar hebben ze vervolgens 6 miljoen van gemaakt)
Hebreeuws heeft geen klinkers dus je kan de woorden op vele wijzen lezen. Beetje magie en je hebt een holocaust van 6 miljoen en dan keer je terug naar Israel zonder zonden.

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. We may not be their keepers but we ought to be their helpers.

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are whirled toward a grave by

The second reason why they will not be represented is even more practical. Outside the borders of Russia, there will not be enough Jews left in Europe to profit by representation were it given them. They will have been reduced from a minority to a phantom. There will be no representatives of the 3,000,000 Jews who once lived in Poland, or of the 1,000,000 who once lived in Hungary, or of the 150,000 who once lived in Czechoslovakia, or of the 400,000 who once lived in France, Holland and Belgium. Of these 6,000,000 Jews almost a third have already been massacred by Germans, Rumanians and Hungarians, and the most conservative of the scorekeepers estimate that before the war ends at least another third will have been killed.

NEW world is in the making. As usual, we Jews are the first to suffer the throes of its coming; and, as so often, we are the last to see its implications and to prepare accordingly. This is to be regretted, and yet it is the logical outcome of the anomalous position in which we Jews have to live. Jews do not control their own life. In the whole world there is nowhere a Jewish-controlled environment complete in itself, for all that we are a nation of 16,000,000.

Jacob Lestchinsky Estimates Reduction in Europe Since '39

The Jewish population in Europe has been reduced from 9,500,000 in 1939 to 3,500,000, it was estimated yesterday by Jacob Lestchinsky, exiled economist and newspaper man, in an address at the nineteenth annual conference of the Yiddish Scientific Institute. Mr. Lestchinsky, who is research secretary of the institute, spoke at the closing sessions of a three-day conference at the Hotel Park Central and attended by delegates from Jewish educational and cultural groups.

"Of the 6,000,000 European Jews who have died, 5,000,000 had lived in the countries under Hitler's occupation," he said.

Other speakers included Dr. Harry M. Orlinsky, Professor of Bible at the Jewish Institute of Religion; Prof. Abraham Heschel of Hebrew Union College, Cincinnati, and Joseph Opatoshu, vice president of the institute's executive board.

DOOM OF EUROPEAN JEWS IS SEEN IF HITLER WINS

NEW YORK, June 24.—(AP)—Dr. Nahum Goldmann, administrative chairman of the World Jewish Congress, said today that if the Nazis should achieve final victory "6,000,000 Jews in Europe are doomed to destruction."

"Their only hope for future existence lies in the ability of Great Britain to resist the Nazi conquest," declared Dr. Goldmann, who arrived here Friday from Geneva.

He issued a statement calling upon United States Jewry to take leadership in mobilizing Jews in North and South America for an organized defense program.

Paranoïde Schizophrenie

De 'holocaust': Fryas als Zondebok

On February 29, 1944 the British Ministry of Information sent the following note to the higher British clergy and to the BBC.

Sir,

I am directed by the Ministry to send you the following circular letter:
It is often the duty of the good citizens and of the pious Christians to turn a blind eye on the peculiarities of those associated with us.

But the time comes when such peculiarities, while still denied in public, must be taken into account when action by us is called for.

We know the methods of rule employed by the Bolshevik dictator in Russia itself from, for example, the writing and speeches of the Prime Minister himself during the last twenty years. We know how the Red Army behaved in Poland in 1920 and in Finland, Estonia, Latvia, Galicia, and Bessarabia only recently.

We must, therefore, take into account how the Red Army will certainly behave when it overruns Central Europe. Unless precautions are taken, the obviously inevitable horrors which will result will throw an undue strain on public opinion in this country.

We cannot reform the Bolsheviks but we can do our best to save them—and ourselves—from the consequences of their acts. The disclosures of the past quarter of a century will render mere denials unconvincing. The only alternative to denial is to distract public attention from the whole subject.

Experience has shown that the best distraction is atrocity propaganda directed against the enemy. Unfortunately the public is no longer so susceptible as in the days of the "Corpse Factory," the "Mutilated Belgian Babies," and the "Crucified Canadians."

Your cooperation is therefore earnestly sought to distract public attention from the doings of the Red Army by your wholehearted support of various charges against the Germans and Japanese which have been and will be put into circulation by the Ministry.

Your expression of belief in such may convince others.

I am, Sir, Your obedient servant,

(Signed) H. HEWET, ASSISTANT SECRETARY

The Ministry can enter into no correspondence of any kind with regard to this communication which should only be disclosed to responsible persons.⁴⁶

Sefton Delmer (1904-1979), former British Chief of 'Black propaganda':
Said after the German surrender in 1945, in a conversation with the German professor of International Law, Dr. Friedrich Grimm.

Yes Mr. Delmer, the truth is we

Gewoon het slacht-/brand-offer de schuld geven. Werkt altijd.

"Atrocity propaganda is how we won the war. And we're only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final.

Re-education needs careful tending, like an English lawn. Even one moment of negligence, and the weeds crop up again - those indestructible weeds of historical truth."

And from the astonishing disclosure in 1990 we learned that the famous "mobile gas chambers" were invented — as it turns out — not by Hitler during World War II, but [rather] the Soviet NKVD in 1937 by Isai Davidovich Berg, the head of the administrative and maintenance section of the NKVD of Moscow Oblast (sure, he was not alone in that enterprise, but he organized the whole business).

Nazi Germany used six **extermination camps** (*German*: *Vernichtungslager*), also called **death camps** (*Todeslager*), or **killing centers** (*Tötungszentren*), in Central Europe during **World War II** to systematically **murder** over **2.7 million** people – mostly **Jews** – in **the Holocaust**.^{[1][2][3]} The victims of death camps were primarily murdered by **gassing**, either in permanent installations constructed for this specific purpose, or by means of **gas vans**.^[4] The six extermination camps were **Chelmno**, **Belzec**, **Sobibor**, **Treblinka**, **Majdanek** and **Auschwitz-Birkenau**. **Extermination through labour** was also used at the Auschwitz and Majdanek death camps.^{[5][6][4]} Millions were also murdered in **concentration camps**, in the **Aktion T4**, or directly on site.^[7]

Wat er gebeurt als schizofrene joden een leugen als waarheid willen voorspiegelen.

Denk er aan als je de verkeerde leugen herhaalt moet je de gevangenis in.

Is Majdanek nou wel of niet een vernietigingskamp?

Killing centers (also referred to as "extermination camps" or "death camps") were designed to carry out genocide. Between 1941 and 1945, the Nazis established five killing centers in German-occupied Poland—**Chelmno**, **Belzec**, **Sobibor**, **Treblinka**, and Auschwitz-Birkenau (part of the **Auschwitz** camp complex). Chelmno and Auschwitz were established in areas annexed to Germany in 1939. The other camps (Belzec, Sobibor, and Treblinka) were established in the General Government (an administrative unit of occupied Poland). Auschwitz functioned as concentration and forced-labor camps, as well as a killing center. The overwhelming majority of the victims of the killing centers were Jews. An estimated 2.7 million Jews were killed in these five killing centers as part of the **Final Solution**. Other victims murdered in the killing centers included Roma (Gypsies) and Soviet prisoners of war.

On this map, the Majdanek camp is labeled as a killing center. In the past, many scholars counted the Majdanek camp (located just outside the city of Lublin) as a sixth killing center. However, based on newer research, Lublin-Majdanek is usually classified as a concentration camp. According to this research, German authorities used Majdanek primarily as a place to concentrate Jews who were being temporarily spared for use as forced laborers. Occasionally, especially after Belzec ceased operating in late 1942, Jews were sent to Majdanek as part of Operation Reinhard to undergo selection. Jews selected as unfit for labor were murdered at Lublin-Majdanek either by shooting or in the camp's gas chambers.

Gaskamers

Gifgas dat in de Duitse vernietigingskampen gebruikt werd. Het kwam overigens niet uit de valse douchekoppen, maar werd via gaten in het dak naar binnen gegooid.

Joden werden gesommeerd al hun kleren en sieraden af te leggen omdat ze moesten douchen, in werkelijkheid kwamen ze in een ruimte terecht waarvan de deur werd afgesloten en er dodelijk gas van boven in de afgesloten kamers werd gegooid. Er kwam dus geen gas in plaats van water uit de douche-koppen.

“Er werd dodelijk gas ingegooid”. Wat?

Zyklon B zijn pellets/korrels. Die pellets zijn geen gas. Die moeten eerst verhit worden zodat er een chemische reactie optreedt waaruit dan een gas gevormd wordt. Je kan gas niet naar beneden gooien, gas stijgt op.

Over the years, Holocaust historians and standard Holocaust studies have consistently maintained that Jewish prisoners who arrived at Auschwitz between the spring of 1942 and the fall of 1944, and who were not able to work, were immediately put to death. Consistent with the alleged German program to exterminate Europe's Jews, only able-bodied Jews who could be "worked to death" were temporarily

Wacht even, wie was dan in 1944 die joden aan het holocausten? Niet de SS, de joden zelf?

For example, an internal German telex message dated September 4, 1943, from the chief of the Labor Allocation department of the SS Economic and Administrative Main Office (WVHA), reported that of 25,000 Jewish inmates in Auschwitz, only 3,581 were able to work. All of the remaining Jewish inmates - some 21,500, or about 86 percent - were unable to work. [6]

This is also confirmed in a secret report dated April 5, 1944, on "security measures in Auschwitz" by Oswald Pohl, head of the WVHA agency responsible for the concentration camp system, to SS chief Heinrich Himmler. Pohl reported that there was a total of 67,000 inmates in the Auschwitz camp complex, of whom 18,000 were hospitalized or disabled. In the Auschwitz II camp (Birkenau), supposedly the main extermination center, there were 36,000 inmates, mostly female, of whom "approximately 15,000 are unable to work." [7]

The evidence shows that Auschwitz-Birkenau was, in fact, established primarily as a camp for Jews who were not able to work, including the sick and elderly, as well as for others temporarily awaiting assignment to other camps. [8]

This is the way he got the hell started. He put a machine for exhuming the corpses into operation, which could, in one motion, dig up many, many dead bodies. A fire grate made of railway ties was laid out on cement foundations, and workmen had to pile the corpses on the grating and set them on fire.

I am not a young man and I have seen a lot in my lifetime, but Lucifer himself could not possibly have devised a worse hell. Can you imagine 3,000 corpses, recently alive, burning all at once on such an immense pyre? Looking at the faces of the dead, one can ordinarily think that they might arise momentarily and awaken from their deep slumber. But here, at a given signal, they set the giant torch on fire and it burned with a huge flame. If one stood nearby, one could well imagine hearing moans from the lips of those martyrs, and children calling their mothers. Horror and pity overwhelmed one, but one still stood by and continued the ghastly task.

The Germans stood around with satanic smiles on their faces, radiating satisfaction over their foul deeds. They drank roasts with choice liquors, ate, caroused and enjoyed themselves near the warm fire. Thus, even after death, the Jew was of some use. Though the weather was bitter cold, the pyres threw off heat like that from a stove. And the heat came from the burning bodies of Jews. The German fiends stood warming themselves, drinking, eating and singing. At last the fires died down, leaving nothing but ashes, which went to enrich the silent soil. Human blood and human ashes! What a fertilizer for the soil, which could tell a lot were it only able to talk.

Religious expressions and what might even be taken as justification of the mass killings also caused antagonistic reactions, protests and demands to "Where is God?" Yechiel Reichman writes:

I hear from the left side of the hut how the poor miserable people are standing there, praying the Afternoon and Evening services, and after the prayers, with tears in their eyes, they say Kaddish. The Kaddish wakes me. . . . I was almost out of my mind, and I yelled at them: "To whom are you saying Kaddish?! Do you still believe?! In what do you believe and whom are you thanking?! You are thanking the Master of the Universe for His righteousness, Who took our brothers and sisters, our fathers and mothers—you are thanking Him?! No, no! At the beginning, no camp had more than three of these chambers. The gas first used at Belzec was bottled, either the same preparation of carbon monoxide that had been shipped to the euthanasia stations or possibly hydrogen cyanide." Later, all three camps (Sobibor and Treblinka from the start) were equipped with diesel motors. A German who briefly served at Sobibor recalls a 200-horsepower, eight-cylinder engine of a captured Soviet tank, which released a mixture of carbon monoxide and carbon dioxide into the gas chambers. This is what Vernik said in presenting a report on Treblinka to the Polish Government; a report which, as he stressed in his foreword, was his only reason "to continue his pitiful life":

"Awake or asleep I see terrible visions of thousands of people calling for help, begging for life and mercy.

Hij heeft visioenen, daar gaan we weer.....

"I have lost my family, I have myself led them to death; I have myself built the death chambers in which they were murdered.

"I am afraid of everything, I fear that everything I have seen is written on my face. An old and broken life is a heavy burden, but I must carry on and live to tell the world what German crimes and barbarism I saw."

[The witness Rajzman took the stand.]

papers and valuables. The most heart-rending scenes took place in the winter when women were compelled to strip their children at temperatures of 20-30° below zero in the yard or in open barracks whose walls were of thin plywood. The unfortunate creatures had nervous shocks, cried and laughed alternately, then wept desperately while standing on line in the cold, their babies pressed close to their breasts. The hangman lashed their naked bodies to force them into silence.

The naked women were then taken care of by "barbers." Every woman was shaved to the skin with a clipper, then sent to the bath establishment, which consisted of 10 cabins with room for 700 to 800 persons each. In these cabins there were even towels and rules posted. Once the people were inside, the cabins were hermetically sealed, and the air pumped out with machine (poison gas was used later). Thus the victims were suffocated to death. They remained in the cabins for 10 to 20 minutes; the large number of others waiting in line for the "bath" made it impossible for the Germans to leave them there any longer. Later the bodies of the suffocated were thrown on an open oven to be burned; frequently the victims gave signs of life after being thrown into the flames, but to this the German guards did not react at all.

Before the corpses were burned, a group of dentists verified whether they had any gold teeth, for these were torn out of the bodies. The oven consisted of an enormous ditch with a concrete foundation and a grate made of rails. Under the grate a strong fire blazed continually, fed by some special fuel. The workers employed at the oven were changed every few days and replaced by new ones from the transports that arrived daily. As a reward for working 1 day they were not sent to the cabins, but were killed by a bullet in the back of the head. Death by shooting was really a great privilege.

Here is just one example of what was the fate of the children there. A 10-year-old girl was brought to this building from the train with her 2-year-old sister. When the elder girl saw that Menz had taken out a revolver to shoot her 2-year-old sister, she threw herself upon him, crying out, and asking why he wanted to kill her. He did not kill the little sister; he threw her alive into the oven and then killed the elder sister.

Usually the concentration camps of German fascism can be divided into two groups: the labor concentration camps and the extermination camps. It seems to me that such a differentiation is not quite correct, because the labor camps also served the purpose of extermination.

much smaller than in Belzec and Treblinka. Only one-third of the 250,000 victims in this camp had been killed and buried there before the cremating began. Those who were gassed there afterward, in the period between October 1942 and October 1943, were taken directly from the gas chambers to the cremating sites. The ample time allowed for the cremation and the relatively small number of victims enabled the cover-up in Sobibor to be carried out without haste.

In Belzec and Treblinka the situation was different. In Belzec, all 600,000 victims had been buried already when the cremation started. During a period of four to five months they had to be unearthened and burned. This was the sole reason for the continued existence of the camp, along with its entire personnel, until the spring of 1943, in spite of the fact that the last transports with Jews had arrived and were liquidated there at the end of November 1942. The fact that during the cremation operation no transports arrived made it easier for camp authorities to accomplish their task.

In Treblinka, the camp command faced the most difficult unearthing over 700,000 corpses and cremating them while at the same time continuing to receive new transports with Jews for extermination. The entire cremation operation lasted about four months.

engine room a pipe, one inch^[78] in diameter, went to each of the gas chambers. Those pipes had their outlet in the individual chambers. I cannot say whether any gases were fed through those pipes into the chambers, whether they compressed the air in the chambers, or whether the air was pumped out of the chambers. I was often on the ramp at the moment the doors were opened, but I never smelled any odor, and on entering a chamber right after the doors were opened I never felt any ill effects on my health. The bodies in the chamber did not show any unnatural discoloration. They looked like live persons, most had their eyes open. Only in a few cases were the corpses bloodstained. The air in the chambers, when they were opened, was pure, transparent and odorless. In particular, there was no smoke from the exhaust gas of the engine. The [exhaust] gas was evacuated from the engine directly into the open air, and not into the chambers."

In 1947, the Główna Komisja Badania Zbrodni Niemieckich w Polsce (Central Commission for the Investigation of German Crimes in Poland) came to a dishonest finding on the method of murder to be attributed to the Belzec camp. In the article "The Belzec extermination camp" that appeared in the official bulletin of the commission, Eugeniusz Szrojt wrote:⁷⁹

The corpses of those who were gassed after cremation was instituted were not buried; they were taken directly to the roaster and cremated. The burning of the corpses of the newcomers and of those murdered earlier went on simultaneously. The smell of burned flesh prevailed throughout the camp and its vicinity.⁶

The opening of the mass graves in Belzec and the cremating of the corpses removed from them began with the interruption of the arrival of transports and of the killing activities there in mid-December 1942. At that time there were about 600,000 corpses of murdered Jews in the pits of the camp. SS *Scharführer* Heinrich Gley, who served at that time in Belzec, testified:

... cremating site about 300,000 corpses were cremated, and in four months at the second burning site, about 240,000 corpses. Naturally, these are average estimations. . . .⁷

... official Polish committee investigating German crimes in the Lublin area in its concluding report:

From December 1942 the arrival of transports with Jews to the Belzec camps came to a standstill. The Germans then started to erase systematically the trails of their crimes. They started to remove from the graves, with special cranes, the corpses of the murdered, pour over them some highly flammable material, and cremate them in large heaps.

Later the procedure of burning the corpses was improved, and a roaster of railway tracks was built. The corpses were laid in layers, alternated with a layer of wood. The ashes from the burned corpses were put through a screening machine so that the valuables that might have remained with the corpses could be separated and removed. Subsequently, the ashes were buried. . . . The burning of the corpses was finished in March 1943. . . .⁸

... remains and scattering the ashes. Abraham Goldfarb relates:

... we secretly placed in the walls of the graves whole skeletons and we wrote on scraps of paper what the Germans were doing at Treblinka. We put the scraps of paper into bottles which we placed near to the skeletons. Our intention was that if one day someone looked for traces of the Nazis' crimes, they could indeed be found. . . .¹⁴

In the Lower Camp the body-burning could be both seen and felt. Occasionally the prisoners there would see the shovel scoop raised high with corpses inside. Smoke from the roasters often blanketed the Lower Camp; the smoke, and the smell of charred flesh, caused the prisoners breathing difficulties. Moreover, the fire and billowing smoke from the roaster could be seen for miles around. They were evident even at Treblinka Penal Camp.

very fact that the cremation began immediately after his visit makes it more than possible that Himmler, who was very sensitive about the erasure of the crimes committed by Nazi Germany, personally ordered the cremating of the corpses there. A cremation site was erected for this purpose in the extermination area of the camp.

Some of the Jewish prisoners who were employed in the cremation operations in the camp escaped during the uprising in Treblinka and survived the war. Therefore, there is more information and evidence on the cremation process and installations in Treblinka than in the other death camps. The cremating structure consisted of a roaster made from five railroad rails laid on top of three rows of concrete pillars each 70 cm high. The facility was 30 meters wide. The bodies were removed from the pits by an excavator. Stangl, the camp commander, relates:

It must have been at the beginning of 1943. That's when excavators were brought in. Using these excavators, the corpses were removed from the huge ditches which had been used until then [for burial]. The old corpses were burned on the roasters along with

simultaneously—and placing the cremating roasters nearer the mass graves to save time in transferring the bodies. The roasters occupied a good portion of the area east of the gas chambers, which was clear of mass graves and buildings.

The bodies of victims brought to Treblinka in transports arriving after the body-burning began were taken directly from the gas chambers to the roasters and were not buried in the ditches. These bodies did not burn as well as those removed from the ditches and had to be sprayed with fuel before they would burn.

The body-burning went on day and night. The corpses were transferred and arranged on the roasters during the day; at nightfall they were lit, and they burned throughout the night. When the fire went out, there were only skeletons or scattered bones on the roasters, and piles of ash underneath. Another special prisoner team, known as the "ash group" (*Aschkolonne*), had the task of collecting the ash and removing the remains of the charred bones from the grill and placing them on tin sheets. Round wooden sticks were then used to break the bones into small fragments. These were then run through a tightly woven screen made of metal wires; those bone frag-

After the cremation installation had been constructed, the process of removing the bodies from the pits began. The work was initiated by a single excavator; later, a second excavator was brought in. The shovel's scoop removed six to eight corpses with each dip into the pit and dumped them on the edge of the pit. A special team of prisoners, working in twos, transferred the corpses to the crematorium on stretchers. There, another special team, called the "burning group" (*Feuerkolonne*), removed the corpses from the stretchers and arranged them in layers on the roaster to a height of 2 meters. Between 2,000 and 2,500 bodies—sometimes up to 3,000—would be piled on the roaster. When all was ready, dry wood and branches, which had been laid under the roaster, were ignited. The entire construction, with the bodies, was quickly engulfed in fire. The railings would glow from the heat, and the flames would reach a height of up to 10 meters.

At first an inflammable liquid was poured onto the bodies to help them burn, but later this was considered unnecessary; the SS men in charge of the cremation became convinced that the corpses burned well enough without extra fuel.

Yechiel Reichman, a member of the "burning group," writes:

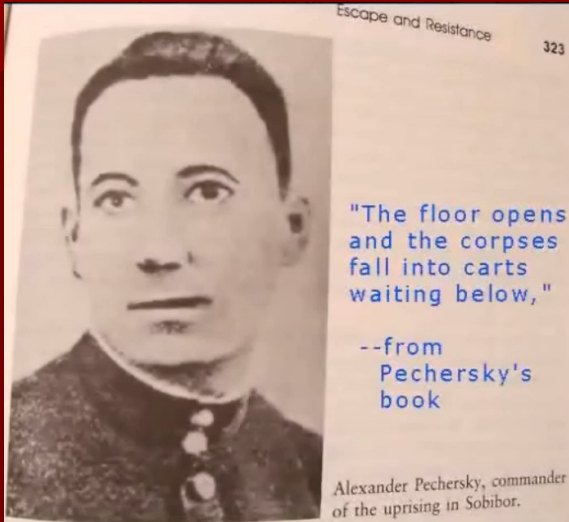

The SS "expert" on bodyburning ordered us to put women, particularly fat women, on the first layer on the grill, face down. The second layer could consist of whatever was brought—men, women, or children—and so on, layer on top of layer. . . . Then the "expert" ordered us to lay dry branches under the grill and to light them. Within a few minutes the fire would take so it was difficult to approach the crematorium from as far as 50 meters away. . . . The work was extremely difficult. The stench was awful. Liquid excretions from the corpses squirted all over the prisoner-workers. The SS man operating the excavator often dumped the corpses directly onto the prisoners working nearby, wounding them seriously. . . .¹²

In 1946, witnesses imputed even more fanciful methods of murder to the Sobibor extermination facilities; Alexander Pechersky depicts them as follows:⁹

"At first sight, one has the impression of entering a bath-house like any other: faucets for hot and cold water, wash basins. [...] As soon as all have entered, the doors are closed with a heavy thump. A heavy black substance comes down in swirls from openings in the ceiling. One hears frantic screams, but not for very long because they change to gasping suffocating breaths and to convulsions. Mothers are said to have been covering their children with their bodies.

The 'bath' keeper observes the whole procedure through a window in the ceiling. Within a quarter of an hour everything is over. The floor opens and the corpses fall into carts waiting below, in the basement of the 'bath-house'. As soon as they are full, they move away quickly. It is all done according to the latest German technology. Outside, the corpses are discharged in a certain order and doused with gasoline which is then lit. Right there, they burn."

Q. Below, on the left, there are the gas chambers, and on the extreme left you wrote "Fire Pit." What is that?

A. Yes, that is the fire pit in which the victims who were brought out of the gas chambers were burned. After some time, a buzzing sound would be heard, the floor opened up, and the victims fell into the deep hollow below and were conveyed in this little train into the pit where the eighty men of Camp 3 were working, and they burned the bodies. The fire that was ablaze in Sobibor could be seen many kilometres away. The flames rose very high and could be seen, without exaggeration, from a distance of twenty kilometres.

SOBIBOR

The small village of Sobibor is in central Poland, about three miles west of the Bug River and five miles south of Wlodawa. During the German occupation of Poland, this area was in the Generalgouvernement (the territory in the interior of occupied Poland).

Sobibor was the second extermination camp constructed as part of [Aktion Reinhard](#), the Nazi plan to kill all the Jews in the Generalgouvernement and immediately adjacent areas. It was built along the Chelm-Wlodawa railway line, in a wooded, swampy, and thinly populated region. The camp covered a rectangular area of 1,312 by 1,969 feet. Branches woven into the barbed-wire fence and trees planted around the perimeter camouflaged the site. The entire camp was surrounded by a minefield 50 feet wide.

Eating the Placenta: A Halakhic Option?

by Rabbi Dov Linzer

Over the centuries, halakhic questions regarding the use of human flesh or human byproducts concerned its use for medical remedies, folk remedies, or *segulot* (protective charms or rituals).[5] Examples include: ingesting embalmed and mummified flesh used as a standard medicinal ingredient (*inamia*);[6] wearing belts from human skin or burning human teeth as a type of medical *segulah*;[7] swallowing the foreskin removed at the brit milah as a segulah to treat infertility or to have male children;[8] ingesting breast milk to cure a wide range of ailments;[9] drinking urine to cure various illnesses;[10] burying the placenta as a charm for keeping the newborn warm;[11] and eating the placenta as a cure for infertility.[12]

So – my question to you is – is it permissible according to halakhah to eat the placenta, by chewing it and spitting it out or even swallowing it? I find the idea repulsive; but if I decide that I am willing to do it, may I do so according to halakhah?

ICE DEPORTS "HOLOCAUST REVISIONIST" TO GERMANY

CHICAGO — A well-known revisionist and holocaust denier, wanted in Germany for inciting racial hatred by denying that thousands of Jews were gassed to death at Auschwitz, was deported last night by the Department of Homeland Security's U.S. Immigration and Customs Enforcement (ICE).

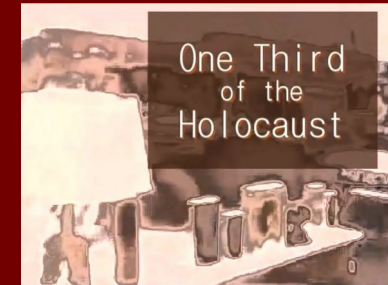

"ICE is focused on protecting America and promoting public safety by ensuring that fugitive aliens are removed from the United States as expeditiously as possible," said Deborah Achim, field officer director for Chicago's detention and removal program. "We are restoring integrity to the immigration system by finding and removing individuals ordered deported by federal immigration judges."

Yesterday's deportation of Germar Rudolf, aka Germar Scheerer, 41, ended a decade spent on the lam as he traversed the globe, living in Spain, Great Britain, Mexico and finally, the United States. Rudolf is wanted in Germany for his 1995 conviction of inciting racial hatred in violation of Germany's Holocaust denial legislation, which was enacted to combat anti-Semitism and protect the memory of Hitler's victims. He fled Germany in 1996 to avoid imprisonment.

The Treblinka Archaeology Hoax

01:19:58

Bekijk zelf de hele docu van Eric Hunt: One third of the holocaust.

In the preceding chapters I have shown that not only is the massacre of the Jews transported to Belzec not confirmed by any material or documentary proof, but also that the results of Polish archeological research refute it; therefore, we are left with only one possibility: Belzec was a transit camp – of the same type as Sobibór and Treblinka.

This is not the place to reiterate the evidence I have gathered in another, much more exhaustive study.³⁵⁷ Thus I shall limit myself to stating that, having excluded the hypothesis of a massacre, we can regard as true everything that the witnesses described as 'camouflage' to fool the victims. I refer in particular to the speeches by the SS regarding the destination of the deportees: They were in a transit camp, from which they would be moved to other labor camps in the east, but first they had to take a shower and be disinfested.

And, as Jean-Claude Pressac has made clear, the first alleged gassing building can be interpreted only as a building for disinfestation by means of steam.¹¹⁰

Significantly, no witness has ever mentioned the existence at Belzec, or anywhere near the camp, of a disinfestation unit, which, however, would have been indispensable – even if mass exterminations had taken place – for the treatment of the enormous quantity of the victims' garments, before those could have been loaded on trains and shipped to Lublin.

Een kinderverkrachter of massa-moordenaar heeft recht op een advocaat, maar mensen die de joodse psychose ontkennen natuurlijk niet. Wat voor chaos zou het niet worden in de wereld als iedereen in de realiteit gaat leven? Dat kan echt niet. Dus ook de advocaten gaan hoppa de gevangenis in. Er is immers niets criminelers dan het verdedigen van iemand die joodse leugens gaat zitten ontkennen. Waar moet het met de wereld heen als we niet allemaal in een kabbalistische psychose rondwaren? Wat een hel zou dat zijn.

Wat kunnen we concluderen na al die 'getuigen' verhalen:

De joden werden vergast dmv het gooien van Zyklon B gas uit blik door gaten in het dak, die pas na de oorlog zijn gemaakt of elektrische vloeren of dieseluitlaat of vacuüm zuigen.

Vervolgens werden ze begraven en als ze half vergaan waren bij -15, -20 °Celsius weer opgegraven.

Er werd een altaar gemaakt van betonblokken en oude treinrails, daar onder werden wat takjes en hout gelegd. Op het altaar werden 2.000 – 3.000 bevroren lijken gelegd. De takjes werden voor het donker aangestoken. De bevroren lijken vatten vlam en brandden de rest van de nacht uit zichzelf, met vlammen van 10 meter hoog. Het ontdooien van die ijsklompen had geen effect op het vuur. Aan het einde waren er bloed en as over. Dat werd begraven, maar nooit teruggevonden.

De kinderen werden in Molech, sorry ovens, gestopt en levend verbrand.

Oh ja, de Duitse vrouwen werden schoon mbv zeep gemaakt van joods vet, hadden lampen met kappen gemaakt van joodse huid en sliepen heerlijk op een matras van joods haar. Of hoorde dat nu niet meer bij het sprookje?

In ieder geval als je denkt dat dit een compleet gestoorde psychose is ben je een 'holocaust'-ontkenner.

De officiële versie is dat er Zyklon B gas door het dak gegooid werd. Waarom de rest van het verhaal niet noemen? Zo vreemd. Bang dat mensen dan toch wellicht gaan denken: wat een krankzinnig verhaal?

'I saw no gas chambers'

I cannot see how a butterfly poem proves Holocaust. Perhaps a letter from an Israeli citizen, Esther Grassman, who was a concentration camp prisoner, might be more to the point:

"Visiting Germany I heard with great agitation the discussions about the 'Holocaust'. I managed to escape the inferno. My confinement in Buchenwald and Auschwitz is indelibly engraved in my memory. In my almost three-year captivity I witnessed people in their primitive state, the immolation of people who had power over others and senseless cruelty, but also the capacity for patience and the great spirit of my people.

"Since the truth is not separable, I must also say that I received help and comfort from many Germans in this difficult time. Also, I saw no gas chambers, nor even heard of them until after my release. I feel in this matter as so many Germans do, therefore I understand the often-heard doubts. I feel that an open investigation by fully disinterested parties is important, for only the truth can help us get along together - now and in coming generations."

The above is just one small item out of literally volumes of information

now available to refute Holocaust. (It is important to understand that books and articles refuting the hoax have been very actively suppressed.)

The Holocaust theory claims six million Jews were gassed. This has been shown to be false and in fact mathematically impossible.

The United States is in danger of being drawn into a war in the Middle East that is none of our business. A war that would make Viet Nam look like a training exercise and could lead to WW III.

One of the reasons we have not opened our eyes to this danger is that we are still blinded by a guilt complex from the Holocaust propaganda.

Because of Holocaust, Israel was given part of Palestine and they took it all. How would we feel if the UN gave the Vietnamese boat people half of Kansas and they took it all?

Many historians now acknowledge that the Nuremberg trials were a kangaroo court in the best traditions of the Old West hanging judge. "Just bring in the guilty bastards and we'll fix the evidence to hang them." Much of the Holocaust documentation came from that source. Holocaust can not be proved by using the very

documents that were manufactured to set it up in the first place. Many involved in this propaganda hoax have since admitted their parts in it. (Technicians involved in altering plumbing at Dacau after the war, etc.)

It would appear that those responding (Oct. 15) to my "Holocaust" letter of Oct. 8 did not even bother to read any of the reference material.

The principal cause of death in concentration camps was widespread disease, mainly typhus. As the war went more and more in our favor, deaths from disease, starvation and malnutrition skyrocketed. (I've read that as many as 40,000 a day died - explaining the piles of bodies at war's end.) The death rate was even higher among Russian and Polish prisoners (ever hear that before?).

The estimate of Jewish deaths is now more on the order of one and one-half million from all causes (warfare, disease, etc.) as opposed to the impossible hoax figure of six million gassed.

Still searching for the truth for a change, I am a WWII veteran with 24 years.

During the 1990's, several Jewish survivors of Auschwitz testified that they knew nothing of any "gas chambers" - with one man claiming the "gas chamber" story was a propaganda myth.

After testifying in defense of Canadian "Holocaust Denier" Ernst Zundel; three-year Auschwitz inmate and noted writer Joseph Burg was disowned from the Jewish community for stating that there were "no gas chambers" at Auschwitz.

When Burg died, Zundel had to have him buried at a Catholic Cemetery.

In de Zündel Rechtszaak werd voor eens en altijd bewezen dat de 'holocaust' een psychotisch fantasie verhaal is. Ernst Zündel moest de gevangenis in omdat hij dat bewezen heeft.

We hoeven geen discussie meer te houden over of er wel of niet een 'holocaust' geweest is. Het is al lang bewezen dat het onzin is. De enige reden dat je het niet mag zeggen is omdat de joden in de wetboeken geschreven hebben dat je niet mag zeggen dat het een collectieve psychose is en niets met de realiteit van doen heeft.

Ernst Zundel (Part 3) - The trial and freedom of speech

Zündel filed a pre-trial motion to drop the charges on the basis of free speech.

The judge denied the motion, claiming "such freedoms were not absolute and there wasn't an unbridled right to say what you think."

His second motion to exclude Jews from the jury was also denied.

Ernst Zundel (Part 4) - Key witness, Arnold Friedman

Arnold Friedman, a key witness to the prosecution, who was at Auschwitz, testified that he saw prisoners marched towards the gas chambers and saw smoke and flames rise from the chimney.

Upon cross examination, he admitted that he had never witnessed mass executions or gassings.

ACCORDING TO OFFICIAL FIGURES, THERE WERE 523,000 JEWS IN GERMANY IN JANUARY 1933. THE KORHERR REPORT REVEALS THAT AS OF DECEMBER 1942, THERE WERE ONLY 9,127 JEWS IN ALL THE CONCENTRATION CAMPS.

OFFICIALS FROM THE INTERNATIONAL RED CROSS VISITED THE CAMPS REGULARLY & HAD COMPLETE ACCESS TO THE CAMPS, DOCUMENTED EVERYTHING & ESTIMATED THE TOTAL DEAD FROM ALL THE CAMPS TO BE AROUND 271,000- 290,000.

ABOUT HALF OF THESE DEAD WERE JEWISH, SO WE ARE NOW TALKING ABOUT SOME 150-200,000 JEWS THAT DIED IN THE GERMAN CAMPS PRIMARILY OF DISEASE. IN THE 1650 PAGE RED CROSS REPORT THERE WAS NEVER A MENTION OF ANY GAS CHAMBERS. THERE BASICALLY WERE FOUR CATEGORIES INTERNED DURING THE WAR: POLES, JEWS, RUSSIANS AND 'POLITICAL PRISONERS' SOMETIMES ALLUDED TO AS 'GERMANS.' JEWS MADE UP LESS 40% OF AUSCHWITZ, ONLY AROUND 12% OF DACHAU AND ONLY AROUND 30% OF BUCHENWALD.

In 1933 stopten de joden nog steeds baby's in Moloch/oven.

Waarom een altaar van treinrails en betonblokken?

Kijk eens goed naar de foto's van Duitse slachtoffers na de Dresden Holocaust. Na de oorlog werden de foto's van honderd-duizenden Duitse slachtoffers zogenaamd 'bewijs' dat de joden geholocaust waren.

2.000 - 3.000 Duitse Holocaust slachtoffers opgestapeld op trainrails en betonblokken.

Desinfectie

De Reinhardt Operatie kampen waren hele kleine kampen met alleen een desinfectie ruimte. De kampen waren opgezet naast de grens met de Sovjet-Unie.

De joden werden met treinen vervoerd naar Oost-Europa/Sovjet-Unie. De treinrails in de SU waren anders dan die in de rest van Europa. Dat betekende dat de treinen niet door konden rijden. Ze stopten bij de kampen, waar de joden moesten uitstappen. Daar moesten ze douchen en van hun luizen ontdaan worden, de haren scheren, en schone kleren aan doen. Daarna werden ze op SU treinen gezet naar het oosten.

In elk concentratie kamp was een desinfectie procedure, net als in de concentratie kampen in de VS. Mensen zaten vol met luizen en in die tijd dacht men nog dat Tyfus werd overgebracht door luizen.

Er is niets sinisters aan haren scheren, het is de meest efficiënte manier om van hoofdluis af te komen.

Generaal Patton, na eerst mee geholpen te hebben Duitsland met de grond gelijk te maken, kwam er achter dat ze de verkeerde tot vijand hadden gemaakt. Hij legt uit waarom die "joden" allemaal ontluisd moesten worden:

Patton's initial impressions of the Jews were not improved when he attended a Jewish religious service at Eisenhower's insistence. His diary entry for September 17, 1945, reads in part:

"This happened to be the feast of Yom Kippur, so they were all collected in a large, wooden building, which they called a synagogue. It behooved General Eisenhower to make a speech to them. We entered the synagogue, which was packed with the greatest stinking bunch of humanity I have ever seen. When we got about halfway up, the head rabbi, who was dressed in a fur hat similar to that worn by Henry VIII of England and in a surplice heavily embroidered and very filthy, came down and met the General . . . The smell was so terrible that I almost fainted and actually about three hours later lost my lunch as the result of remembering it."

Hoe kwamen die mensen nou zo smerig? Ik heb het even opgezocht. In hun "heilige" boek de talmud staat dat het is verboden te douchen. Je mag alleen douchen als "God" je toestemming heeft gegeven. Dat betekent als je niet regelmatig hallucineert dat "God" je toestemming geeft, je heel erg smerig wordt. Het is wachten op een hallucinatie want douchen zonder toestemming van de vliegende psychopaat zal worden afgestraft. Hoe vaker je hallucineert hoe schoner je bent.

Can body lice transmit disease?

Yes. Epidemics of typhus and louse-borne relapsing fever have been caused by body lice. Though typhus is no longer widespread, epidemics still occur during times of war, civil unrest, natural disasters, in refugee camps, and prisons where people live crowded together in unsanitary conditions. Typhus still exists in places where climate, chronic poverty, and social customs prevent regular changes and laundering of clothing.

Vandaar de noodzaak voor Zyklon B, de luizen-doder. Om die smerige, ongewassen joden van hun luizen te ontdoen.

~KRISTALLNACHT~
IN THE EARLY YEARS OF THE REICH GERMANY HAD THE HIGHEST RATING FOR HEALTH AND HAPPINESS OF ANY WESTERN NATION, AND AT A TIME WHEN BRITAIN AND THE UNITED STATES WERE IN DEPRESSION THE GERMAN ECONOMY THRIVED AS ADOLF HITLER HAD DE-COUPLED IT FROM THE TRANSNATIONAL JEWISH BANKING SYSTEM. IT WAS NOT ONLY THE REICH'S EMPHASIS ON PURE FOOD, CLEAN LIVING, JOBS FOR ALL AND HEALTHY AIR AND EXERCISE FOR CHILDREN, BUT ALSO BECAUSE JEWS WERE BANNED FROM BEING IN ANY POSITION WHERE THEY COULD CORRUPT AND DEPRAVE THE PEOPLE AND PROMOTE VICE AS THEY DO TODAY. JEWS THRIVED IN THE RETAIL SECTOR IN PARTICULAR AND THE REICH EVEN SAVED A MAJOR JEWISH SHOPPING CHAIN FROM BANKRUPTCY BECAUSE IT WAS BELIEVED THEY PERFORMED A GOOD SERVICE. HOWEVER OUTSIDE GERMANY MARXIST JEWS DECLARED WAR ON THE COUNTRY AND ORGANIZED WORLD BOYCOTTS OF ITS PRODUCTS. JEWISH AGENTS CREATED 'KRISTALLNACHT' TO FURTHER DEFAME THE REICH. AT THAT POINT THE FUHRER REALIZED THAT THE JEWS WOULD DESTROY THE GERMANY HE BUILT FROM NOTHING AND ORDERED THAT ALL JEWS SHOULD BE PLACED IN TRANSIT CAMPS AND DEPORTED FROM THE REICH.

The Truth About Book-burning

THE SITUATION OF POVERTY, HOMELESSNESS, RAMPANT PROSTITUTION, DRUNKENNESS AND PUBLIC MORAL DECAY WHICH FACED ADOLF HITLER AFTER THE FALL OF JEWISH MARXIST WEIMAR WAS MONUMENTAL. ONE OF THE ACTIONS THE FUHRER TOOK WAS TO ROUND UP HUGE MOUNTAINS OF JEWISH PORNOGRAPHY AND BOOKS ADVOCATING HOMOSEXUALITY, PAEDOPHILIA, MARXISM, COMMUNISM AND ALL MATERIAL DEEMED TO BE CORRUPTING TO THE MASSES AND PUBLICALLY BURN THEM. THIS ACTION WAS SEEN ACROSS GERMANY AS A CLEANSING OF THE NATION'S MORAL SOUL. JEWISH-CONTROLLED ALLIED HISTORY HIDES THE FACT THAT MILLIONS OF GERMAN BOOKS WERE BURNED BY THE ALLIES AFTER THE SECOND WORLD WAR TO HIDE ANYTHING POSITIVE ABOUT THE REICH FROM THE GERMAN PEOPLE. IN ZIONIST OCCUPIED BRITAIN ALONE IN THE LAST FEW DECADES, MILLIONS OF LIBRARY BOOKS HAVE BEEN SECRETLY INCINERATED OR PULPED BECAUSE THEY WERE DEEMED 'POLITICALLY INCORRECT.' MANY GREAT AUTHORS SUCH AS MARK TWAIN OR ENID BLYTON'S CHILDREN'S BOOKS HAVE BEEN RE-WRITTEN TO CONFORM TO CULTURAL MARXIST SOCIAL PRINCIPLES.

Statement by Head of British Intelligence about gas-chamber stories

Public Record Office Document, FO 371/34551

This Foreign Office document was declassified ages ago, after the 30-year period, and yet David Irving seems about the only British historian who has wanted to comment upon it.

27 August, 1943

"In my opinion it is incorrect to describe Polish information regarding German atrocities as 'trustworthy.' The Poles, and to a far greater extent the Jews, tend to exaggerate German atrocities in order to stoke us up. They seem to have succeeded.

Mr Allen and myself have both followed German atrocities quite closely. I do not believe that there is any evidence which would be accepted in a Law Court that Polish children have been killed on the spot by Germans when their parents were being deported to work in Germany, nor that Polish children have been sold to German settlers. As regards putting Poles to death in gas chambers, I do not believe that there is any evidence that this has been done. There have been many stories to this effect, and we have played them up, in P.W.E. [Psy Warfare Executive] rumours without believing that they had any foundation. At any rate there is far less evidence than exists for the mass murder of Polish officers by the Russians at Katyn. On the other hand we do know that the Germans are out to destroy Jews of any age unless they are fit for manual labour.

I think that we weaken our case against the Germans by publicly giving credence to atrocity stories for which we have no evidence. These mass executions in gas chambers remind me of the story of employment of human corpses during the last war for the manufacture of fat, which was a grotesque lie and led to the true stories of German enormities being brushed aside as being mere propaganda..."

Allemaal joodse fantasie en de Britten wisten heel goed dat het allemaal gelogen was.

(signed) V Cavendish-Bentinck

As a result of this statement, a telegram was sent off from the Foreign Office to Washington the same day, copied to Moscow, requesting that no allusion be made to 'gas chambers' re German atrocities in Poland. It was sent by the head of the British Psychological Warfare Executive, Victor Cavendish-Bentinck:

'On further reflection we are not convinced that evidence regarding use of gas chambers is substantial enough to justify inclusion in a public declaration....'

A copy of this message is kept in the Public Record Office, in the file PRO FO 371/34551, dated 27 August, 1943.

Nazi Scheme Not Born at Wannsee, Israeli Holocaust Scholar Claims

January 23, 1992

LONDON (Jan. 22)

An Israeli Holocaust scholar has debunked the Wannsee Conference, at which top Nazi officials are said to have gathered at a villa in a Berlin suburb in 1942 to draw the blueprints of the "Final Solution."

According to Professor Yehuda Bauer of the Hebrew University in Jerusalem, Wannsee was a meeting but "hardly a conference," and "little of what was said there was executed in detail."

Bauer addressed the opening session of an international conference held here to mark the 50th anniversary of the decision to carry out the "Final Solution." But it was not made at Wannsee, the Czech-born scholar said.

"The public still repeats, time after time, the silly story that at Wannsee the extermination of the Jews was arrived at. Wannsee was but a stage in the unfolding of the process of mass murder," he said.

Under the peace settlement Hitler also intended to oblige his former enemies, as well as the pro-Axis countries, to agree on a uniform solution of the Jewish problem. France would be required to make available Madagascar to accommodate Europe's Jews. Hitler revealed this decision to Admiral Raeder on June 20 and evidently to Ribbentrop and Himmler soon after, for experts in the foreign ministry worked eagerly on the Madagascar plan throughout the summer. P311 David Irving's *Hitlers War*. <http://fpp.co.uk/books/Hitler/2001/HW1.pdf>

Hypocrisy at it's best

Because of the great pressure exerted on the Austrian Jews President Roosevelt conceived the brilliant idea to convene an international conference at the lovely French resort at Evian (reads "naive" backwards) on the shores of Lake Geneva. The purpose of the meeting was to persuade every country present to lower its stringent immigration requirements and permit the remaining three hundred thousand Jews remaining in Germany to emigrate. It was July 1938, the weather in Evian was glorious and a good time was had by everybody. The results were according. Not one of the thirty-three nations present, including the USA, was willing to change its immigration laws! Dr. Goebbels was in sheer ecstasy. The display of hypocrisy was plenty of water on his propaganda mills. ("Doesn't anyone want our geniuses?") One German newspaper commented: "We see that one likes to pity the Jews, as long as one can use this pity for a wicked agitation against Germany, but that no state is prepared to fight the 'cultural disgrace' of central Europe by accepting a few thousand Jews. Thus the conference serves to justify Germany's policy against Jewry." (P. 15)

Probleempje was dat niemand die joden wilde hebben. Waarom zou dat nou zijn?

NAZI GERMANY TO THE RED CROSS: "PLEASE HELP SAVE THE JEWS"

Although the Holocaust enthusiasts might not like to admit it, the International Committee of the Red Cross reported that "in the chaotic condition of Germany after the [Allied] invasion during the final months of the war, the [concentration] camps received no food supplies at all, and starvation claimed an increasing number of victims. Itself alarmed by this situation, the German government at last informed the ICRC on February 1, 1945."

At that juncture the Nazis asked for the assistance of the Red Cross in saving the starving inmates in the camps: "Relief could henceforth be distributed by the ICRC, and one delegate was authorised to stay in each camp," noted the Red Cross report on the matter.

What's more, although few today know it, during the two years prior to the war's end, the ICRC had been distributing food and pharmaceutical supplies to the camps—something the Nazis would not have permitted if they were intent on destroying the Jews.

Nor would they have permitted the Red Cross to enter the camps (as the Red Cross certainly did) if the camps were the extermination factories that we have been told by the Establishment history books.

During the war the Nazi authorities permitted the International Red Cross to visit the concentration camps and supply food relief and other assistance to those very Jewish internees that—or so "history" tells us—the Nazis were determined to exterminate!

A report issued by the Red Cross after the war reported that "As many as 9,000 parcels were packed daily. From the autumn of 1943 until May 1945, about 1,112,000 parcels with a total weight of 4,500 tons were sent off to the concentration camps. . . . The [Red Cross] was in a position to transfer and distribute in the form of relief supplies over 20 million Swiss francs collected by Jewish welfare organizations throughout the world, in particular by the American Joint Distribution Committee of New York."

The Red Cross complained that it was the Allied blockade of Europe that was largely responsible for obstructing the Red Cross relief efforts. The Red Cross necessarily turned to Rumania, Hungary and Slovakia for food purchases—not Kansas, Nebraska and Iowa.

The Book that Killer Fears
**GERMANY
MUST
PERISH!**

Did you know that the concept of "The Final Solution" of extermination so vehemently forced into our minds by the Jewish propagandists was not proposed by a German Nazi, but rather by a Jew?

In 1940, long before the beginning of the alleged Holocaust (the Wannsee Conference, allegedly authorizing the "Holocaust" was held in February 1942) and also before the USA entered World War II, the American Jew Theodore Newman Kaufman wrote a book titled Germany Must Perish in which he proposes the Jewish Final Solution to the Germans as well as other gentiles. In the book which was published in 1941, Theodore Kaufman advocates and devises a plan for the extermination of all of the German people through a forced sterilization program in what he calls the "Final Solution".

Territorial Dissection of Germany Proposed by Jew Theodore Kaufman in His Genocide Advocating Book Germany Must Perish

Germany Must Perish!

From Wikipedia, the free encyclopedia

Germany Must Perish! is a 104-page book written by Theodore N. Kaufman, which he self-published in 1941 in the United States. The book advocated genocide through the sterilization of all Germans and the territorial dismemberment of Germany, believing that this would achieve world peace. Kaufman founded the Argyle Press in Newark, New Jersey, United States, in order to publish this book. He was the sole proprietor of the Argyle Press and it is not known to have published any other works.

The Nazi Party used the book, written by a Jewish author, to support their argument that Jews were plotting against their country.^{[1][2]}

I believe that the Jews have a mission in life. They must see to it that the nations of the world get together in one vast federation. "Union Now" is the beginning of this. Slowly but surely the world will develop into a paradise. We will have perpetual peace. And the Jews will do the most to bring about this confederation, because they have the most to gain. But how can you get peace if Germany exists? The only way to win an eternal peace is to make the punishment of waging war more horrible than war itself. Human beings are penalized for murder, aren't they? Well, Germany starts all the wars of magnitude. Let us sterilize all Germans and wars of world domination will come to an end!

Het maakt niet uit hoeveel joden oproepen dat alle Fryas vermoord moeten worden. Er is pas een probleem als je dat feit publiek maakt aan alle Fryas. Dat is ant-semitisch. Het oproepen tot moord aan Fryas is oke, dat is Tikun Olam, Shalom!

Verplicht Holocaust-onderwijs voor nieuwkomers? Een uitstekend idee

Het is lovenswaardig dat men nieuwkomers wil inprenten waartoe dit land in staat is, schrijft Mohammed Benzakour.

NRC

De nieuwe collectieve psychose is geboren. Met idool: de 'gaskamers', tempels: de 'holocaust' musea, heiligen: de 'holocaust' overlevenden, de martelaren: de 6 miljoen 'vergaste' joden.

Tegenwoordig zijn de joden allemaal verdeeld. Wat ze bijeenhoudt is de 'holocaust' psychose.

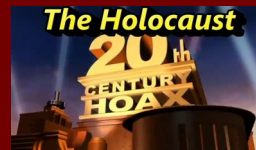

EEN VOLK DAT BANG IS OM EEN
SCHIZOFREEN TE BELEDIGEN,
EINDIGT IN EEN
PSYCHOTISCHE HEL.

The hope for the second coming of the Messiah has reached its limits, therefore mankind must be the helping hand for "God's prophecies"!

1. We kunnen niet hebben dat er hier mensen rondlopen die niet 100% schizofreen zijn;

2. We kunnen niet hebben dat er hier mensen rondlopen die niet voor de volle 100% Fryas haten en willen vermoorden.

Shoah =
'holocaust'

Tegenwoordig hoeven ze de voorspellingen niet meer 'waar' te maken in de realiteit. Ze hoeven alleen een film te maken. "If you can't make it, fake it."

De 'holocaust': brought to you by Hollywood.

Holocaustendom: de religie voor 'the world to come'. De volslagen irrationele haat voor Fryas, alleen omdat ze Fryas zijn.

Het wordt hoog tijd dat wij onze kinderen op school gaan leren waar zijn volk allemaal toe in staat is.

Laat Mohammed dit soort waanideeën maar eens in zijn eigen land roepoeteren. Eens zien hoe lang hij dan nog leeft.

Nee, beste Fryas, dit valt niet onder haat-praat.

Dit heet Vrijheid van Meningsuiting.

Elke schizofreen kan hier zijn psychotisch geraaskal in een krant publiceren.

NEW WORLD ORDER PLEGDED TO JEWS

Arthur Greenwood of British
War Cabinet Sends Message
of Assurance Here

RIGHTING OF WRONGS SEEN

English Rabbi Delivers to Dr.
S. S. Wise New Statement
on Question After War

In the first public declaration on
the Jewish question since the out-
break of the war, Arthur Green-
wood, member without portfolio in
the British War Cabinet, assured

intention to help right the wrongs
which Jews have suffered and con-
tinues to suffer today because of
Hitler's "disorder and lawlessness."

Mr. Greenwood, sending the Jews
of America a message of "en-
couragement and warm good
wishes," wrote:

"The tragic fate of the Jewish
victims of Nazi tyranny has, as you
know, filled us with a deep emotion.
The speeches of responsible states-
men in Parliament and at the
League of Nations during the last
seven years have reflected the
horror with which the people of this
country have viewed the Nazi re-
lapse into barbarism.

"The British Government sought
again to secure some amelioration
of the lot of persecuted Jewry both
in Germany itself and in the coun-
tries which were infected by the
Nazi doctrine of racial hatred. To-
day the same sinister power which
has trampled on its own defenseless
minorities, and by fraud and force
has temporarily robbed many small
peoples of their independence, has
challenged the last stronghold of
liberty in Europe.

New World Order Forecast

"When we have achieved victory,
as we assuredly shall, the nations
will have the opportunity of estab-
lishing a new world order based on
the ideals of justice and peace. In
such a world it is our confident
hope that the conscience of civilized
humanity would demand that the
wronges suffered by the Jewish peo-
ple in so many countries should be
righted.

"In the rebuilding of civilized
society after the war, there should
and will be a real opportunity for
Jews everywhere to make a distinc-
tive and constructive contribution;
and all men of good-will must as-
suredly hope that in new Europe
the Jewish people, in whatever
country they may live, will have
freedom and full equality before
the law with every other citizen."

Kedushat Levi, Genesis, Toldot 9

I assume that the reader is aware that **Satan**, [also known as the angel of death, **Esau** himself describing himself as headed for death, Ed.] is considered as the protective guardian of Esau.

Rabbeinu Bahya, Bereshit 26:19:1

Satan is none other than the spiritual representative of **Esau** in the celestial regions. Satan's preoccupation in this world is to always oppose the Jewish people with a display of hatred.

Gittin 56a:7

The Romans are associated with Edom, the **descendants of Esau**. If I continue on this settle far away from Israel to avoid such confrontation. 34 The Romans are considered to be **descendants of Edom, or Esau**

Mishneh Torah, Kings and Wars 11:1

Shenei Luchot HaBerit, Torah Shebikhtav, Vayishlach, Torah Ohr 65

We must view **Esau** here on earth as merely the counterpart of **Samael** in the Heavenly Regions.

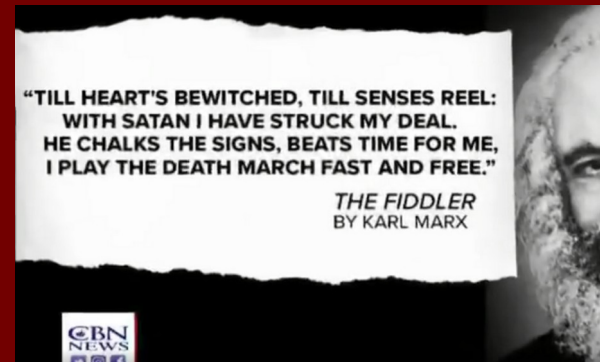

Shenei Luchot HaBerit, Torah Shebikhtav, Vayishlach, Torah Ohr 35

Remember that the struggle between Jacob and his adversary occurred on two levels, the physical and the spiritual, with **Esau** in this world and with **Samael** in the Celestial Regions.

Shenei Luchot HaBerit, Torah Shebikhtav, Toldot, Torah Ohr 44

This was the reason that **Samael**, or the spiritual representative of **Esau**, tried to injure that

In Zoharistic doctrine, however, the chief personalities of *Assiah* are SAMAEL, who is to some extent the averse Adam Kadmon, though in a better sense we may presume that this title is applicable to natural humanity as a whole, and his bride LILITH. The Sephirotic attributions are obscure and incomplete,

but in a general way it is said that as in the Holy Kingdom so is it in that of iniquity,* as in the circumcision so also in the uncircumcision. SAMAEL is said to be the uncircumcised and his bride is the prepuce, which, it adds significantly, is the serpent.†

Nieuw 'Heidendom'

Definition [\[edit \]](#)

Scholars of [religious studies](#) classify Heathenry as a [new religious movement](#),^[1] and more specifically as a [reconstructionist](#) form of [modern Paganism](#).^[2] Heathenry has been defined as "a broad contemporary Pagan new religious movement (NRM) that is consciously inspired by the linguistically, culturally, and (in some definitions) ethnically 'Germanic' societies of Iron Age and early medieval Europe as they existed prior to Christianization",^[3] and as a "movement to revive and/or reinterpret for the present day the practices and worldviews of the pre-Christian cultures of northern Europe (or, more particularly, the Germanic speaking cultures)".^[4]

Heathenry's origins lie in the 19th- and early 20th-century [Romanticism](#) which glorified the pre-Christian societies of Germanic Europe. [Völkisch](#) groups actively venerating the deities of these societies appeared in Germany and Austria during the 1900s and 1910s, although they largely dissolved following [Nazi Germany](#)'s defeat in [World War II](#). In the 1970s, new Heathen groups established in Europe and North America, developing into formalized organizations. A central division within the Heathen movement emerged surrounding the issue of race. Older groups adopted a [racialist](#) attitude—often termed "folkish" within the community—by viewing Heathenry as an ethnic or racial religion with inherent links to a [Germanic race](#). They believe it should be reserved for white people, particularly of northern European descent, and often combine the religion with [far right-wing](#) and [white supremacist](#) perspectives. A larger proportion of Heathens instead adopt a "universalist" perspective, holding that the religion is open to all, irrespective of ethnic or racial background.

While the term *Heathenry* is used widely to describe the religion as a whole, many groups prefer different designations, influenced by their regional focus and ideological preferences. Heathens focusing on [Scandinavian sources](#) sometimes use **Ásatrú**, **Vanatrú**, or **Forn Sed**; practitioners focusing on [Anglo-Saxon traditions](#) use **Fyrnsidu** or **Theodism**; those emphasising [German traditions](#) use **Irminism**; and those Heathens who espouse folkish and far-right perspectives tend to favor the terms **Odinism**, **Wotanism**, **Wodenism**, or **Odalism**. Scholarly estimates put the number of Heathens at no more than 20,000 worldwide, with communities of practitioners active in Europe, the Americas, and Australasia.

Beliefs [[edit](#)]

Gods and spirits [[edit](#)]

The historian of religion [Mattias Gardell](#) noted that there is "no unanimously accepted theology" within the Heathen movement.^[56] Several early Heathens like [Guido von List](#) found the [polytheistic](#) nature of pre-Christian religion embarrassing, and argued that in reality it had been [monotheistic](#).^[57] Since the 1970s, such negative attitudes towards polytheism have changed.^[58] Today Heathenry is usually characterised as being polytheistic, exhibiting a theological structure which includes a [pantheon](#) of gods and goddesses, with adherents offering their allegiance and worship to some or all of them.^[59] Most practitioners are polytheistic realists, referring to themselves as "hard" or "true polytheists" and believing in the literal existence of the deities as individual entities.^[60] Others express a psychological interpretation of the divinities, viewing them for instance as symbols, [Jungian archetypes](#) or racial archetypes,^[61] with some who adopt this position deeming themselves to be [atheists](#).^[62]

Many practitioners combine their polytheistic world-view with a [pantheistic](#) conception of the natural world as being sacred and imbued with a divine energy force permeating all life.^[75] Heathenry is [animistic](#),^[64] with practitioners believing in nonhuman spirit persons commonly known as "[wights](#)" (*vættir*) that inhabit the world,^[76] each of whom is believed to have its own personality.^[15] Some of these are known as "land spirits" (*landvættir*) and inhabit different aspects of the landscape, living alongside humans, whom they can both help and hinder.^[77] Others are deemed to be [household deities](#) and live within the home, where they can be propitiated with offerings of food.^[78] Some Heathens interact with these entities and provide offerings to them more often than they do with the gods and goddesses.^[79] Wights are often identified with various creatures from northwestern European folklore such as elves, dwarves, [gnomes](#), and [trolls](#).^[80] Some of these entities—such as the [Jötunn](#) of Norse mythology—are deemed to be baleful spirits; within the community it is often deemed taboo to provide offerings to them, however some practitioners still do so.^[81] Many Heathens also believe in and respect ancestral spirits, with [ancestral veneration](#) representing an important part of their religious practice.^[82] For Heathens, relationships with the ancestors are seen as grounding their own sense of identity and giving them strength from the past.^[83]

Nieuw 'Heidendom'

Morality and ethics [edit]

In Heathenry, moral and ethical views are based on the perceived ethics of Iron Age and Early Medieval northwestern Europe,^[100] in particular the actions of heroic figures who appear in Old Norse sagas.^[101] Evoking a life-affirming ethos,^[102] Heathen ethics focus on the ideals of honor, courage, integrity, hospitality, and hard work, and strongly emphasize loyalty to family.^[103] It is common for practitioners to be expected to keep their word, particularly sworn oaths.^[104] There is thus a strong individualist ethos focused around personal responsibility,^[105] and a common motto within the Heathen community is that "We are our deeds".^[106] Most Heathens reject the concept of sin and believe that guilt is a destructive rather than useful concept.^[107]

Blót and sumbel [edit]

The most important religious rite for Heathens is called *blót*, which constitutes a ritual in which offerings are provided to the gods.^[162] *Blót* typically takes place outdoors, and usually consists of an offering of mead, which is contained within a bowl. The gods are invoked and requests expressed for their aid, as the priest uses a sprig or branch of an evergreen tree to sprinkle mead onto both statues of the deities and the assembled participants. This procedure might be scripted or largely improvised. Finally, the bowl of mead is poured onto a fire, or onto the earth, as a final libation to the gods.^[163] Sometimes, a communal meal is held afterward; in some groups this is incorporated as part of the ritual itself.^[164] In other instances, the *blót* is simpler and less ritualized; in this case, it can involve a practitioner setting some food aside, sometimes without words, for either gods or wights.^[165] Some Heathens perform such rituals on a daily basis, although for others it is a more occasional performance.^[90] Aside from honoring deities, communal blóts also serve as a form of group bonding.^[166]

Odin (/ˈoʊdɪn/^[1] from [Old Norse](#): *Óðinn*) is a widely revered [god](#) in [Germanic paganism](#). [Norse mythology](#), the source of most surviving information about him, associates him with wisdom, healing, death, royalty, the gallows, knowledge, war, battle, victory, sorcery, poetry, frenzy, and the [runic alphabet](#), and depicts him as the husband of the goddess [Frigg](#). In wider [Germanic mythology](#) and paganism, the god was also known in [Old English](#) as ***Wōden***, in [Old Saxon](#) as *Uuōden*, in [Old Dutch](#) as *Wuodan*, in [Old Frisian](#) as *Wêda*, and in [Old High German](#) as *Wuotan*, all ultimately stemming from the [Proto-Germanic theonym](#) **Wōðanaz*, meaning 'lord of frenzy', or 'leader of the possessed'.

Odin is also associated with the divine battlefield maidens, the [valkyries](#), and he oversees [Valhalla](#), where he receives half of those who die in battle, the [einherjar](#), sending the other half to the goddess [Freyja](#)'s [Fólkvangr](#). Odin consults the disembodied, [herb-embalmed](#) head of the wise [Mímir](#), who foretells the doom of [Ragnarök](#) and urges Odin to lead the *einherjar* into battle before being consumed by the monstrous wolf [Fenrir](#). In later folklore, Odin sometimes appears as a leader of the [Wild Hunt](#), a ghostly procession of the dead through the winter sky. He is associated with charms and other forms of magic, particularly in Old English and Old Norse texts.

The figure of Odin is a frequent subject of interest in [Germanic studies](#), and scholars have advanced numerous theories regarding his development. Some of these focus on Odin's particular relation to other figures; for example, Freyja's husband *Óðr* appears to be something of an etymological doublet of the god, while Odin's wife Frigg is in many ways similar to Freyja, and Odin has a particular relation to [Loki](#). Other approaches focus on Odin's place in the historical record, exploring whether Odin derives from [Proto-Indo-European mythology](#) or developed later in [Germanic society](#). In the modern period, Odin has inspired numerous works of poetry, music, and other cultural expressions. He is venerated with other Germanic gods in most forms of the new religious movement [Heathenry](#); some branches focus particularly on him.

5 Want Mijn zwaard is
dronken geworden in de hemel.
Zie, het zal neerdalen op Edom,
op het volk dat Ik geslagen heb met de ban, als een oordeel.
6 Het zwaard van de HEERE zit vol bloed,
het is verzadigd van vet,
van het bloed van lammeren en bokken,
van het niervet van rammen.
Want de HEERE richt een offer aan in Bozra,
een grote slachting in het land Edom.
7 Met hen zullen de wilde ossen neervallen,
en de jonge stieren met de sterke stieren.
Hun land zal doordrenkt zijn met bloed
en hun stoffige *grond* verzadigd van vet. ♡
8 Want het zal zijn de dag van de wraak van de HEERE,
het jaar van de afrekening om de rechtszaak van Sion.

Artikel 8 van de Statuten vermeldde uitdrukkelijk:

“Het feit dat de beklaagde uitvoering gaf aan opdrachten van zijn regering of van een superieur, bevrijdt hem niet van zijn verantwoordelijkheid, maar kan als verzachtende omstandigheid bij de strafbepaling gelden indien naar het oordeel van het Tribunaal de rechtvaardigheid dit vereist”.²⁰⁶⁴

Nergens ter wereld geldt gehoorzaamheid aan regering of superieuren als misdaad. Dat is overal een Militair-juridische hoeksteen. Gehoorzaamheid wordt overal beloond en ongehoorzaamheid bestraft. Het IMT bepaalde dat Duitsers met terugwerkende kracht vanaf 1933 (*ex post facto*) hun regering en superieuren ongehoorzaam hadden moeten zijn, op straffe van veroordeling als zij de oorlog verloren.

Het Internationaal Militair Tribunaal was dan ook een politiek gericht.

Artikel 19: Het Tribunaal is niet gebonden aan technische bewijsvoering.

Artikel 21: Het Tribunaal verlangt geen bewijzen van algemeen bekende feiten maar houdt daarmee wel juridisch rekening (het beruchte *judicial notice*); het neemt ook ‘*judicial notice*’ van alle ambtshalve ingebrachte rapporten, inclusief handelingen en documenten van comités opgezet in de verschillende landen [...].

Holocaust Herzien. Afscheid van de joodse holocaust versie, Jurgen H. Bredeveld (pseud), 2011

Volgens internationaal recht, vastgesteld in de Neurenberg Tribunalen, is het opvolgen van opdrachten van de regering strafbaar en kan met de doodstraf eindigen.

Denk daar aan als je gehoorzaam bent aan al die kooshere wetten.

Dat is strafbaar.

Ja, ja, we wisten al dat het allemaal Theater was en de wetten niet gelden voor Fryas.

Wij zijn mensen, geen personen. We komen in de wet niet eens voor.

De waarheid is niet relevant. Het kabbalistische ‘algemeen bekende feiten’ voldoet.

Geen Bewijs

Duitsland werd vernietigd. Het Duitse Volk is niet meer. In twee Wereldoorlogen verloor het haar zonen, haar geest en de bloem van hen, die een Volk sterk en weerbaar maken. 30 miljoen Duitsers kwamen om in een Dertigjarige Oorlog, van 1914 tot 1945, tot tweemaal toe verklaard door de Geallieerden met hetzelfde doel: *Duitsland moest vernietigd worden!* Die vernietiging stond vóór 1910 al vast en werd met WO I, Versailles, WO II, de eis van 'onvoorwaardelijke overgave' in '43 in Casablanca, Holocaust-bombardementen en het demoniseringsgericht in Neurenberg bezegeld.

Wat thans resteert achter de façade van consumentisme en vlijt, zijn bange mensen, zonder identiteit, zonder élan, bevreesd voor nationaal gevoel, die met dichtgeknepen keel hun geschiedenis niet *willen en mogen* kennen, hun voorouders besmeurd zien worden, boetvaardig stamelend 'Mea Maxima Culpa' en elke belediging en afpersing gelaten ondergaan. Zij weten dat leefwaardig leven in huidig Duitsland niet mogelijk is als zij waarheid en objectiviteit over hun geschiedenis hooghouden en leggen zich in meerderheid neer bij Onvoorwaardelijke Duitse Schuld als *modus vivendi*. Schuldbesef doodt de menselijke Geest. Duitse kinderen *kunnen en willen*, zwelgend in Schuld, de waarheid zelfs niet kennen.

Yad Vashem
יָד וַשׁׁמֶן

Resumerend kan worden vastgesteld dat *voor een opdracht of concreet geformuleerde politiek* van 'systematisch geplande massamoord op 6 miljoen joden in voornamelijk gaskamers', zoals de Joodse Holocaust-Versie luidt, geen concrete bewijzen en geen steekhoudende aanwijzingen zijn:

- Geen Hitler-bevel
- Geen Besluit
- Geen documentair bewijs
- Geen Plan
- Geen Systeem

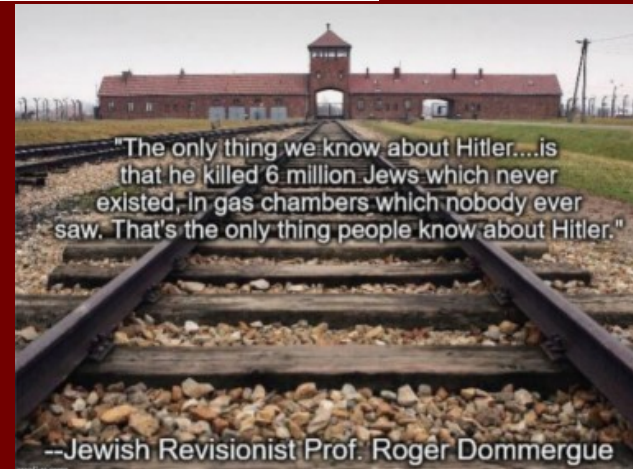

De JHV vraagt ons dus te geloven dat de Duitsers een proces van miljoenenmoord op joden begonnen en uitvoerden, zonder dat een van deze kernvoorwaarden kan worden getoond. Echter, geen bureaucratie komt in beweging zonder schriftelijke opdrachten en een dergelijk omvangrijk proces is zonder deze vijf elementen dan ook absoluut *onmogelijk*.

Wat betekent de *afwezigheid* van een Hitlerbevel, uitvoeringsdirectieven en/of documenten over "Systematische uitroeiing van het Joodse Volk"? *Dat betekent, dat de "Final Solution" van de JHV zonder grond is.*

Kabbalistische logica:

Er zijn geen slachtoffers, geen moordwapens en geen plaats delict en dat bewijst dat er 6 miljoen joden vermoord zijn. Echt waar. Staat in de Torah.

De Achilleshiel

Volgens verschillende Rabbi's en 'experts': Hun 'bewijs', dat ze altijd 'goed gedocumenteerd' noemen, is dat volgens hun interpretatie YaH het heeft voorspeld. De profetie staat in de Torah en de Talmoed en dat, volgens hen, is het bewijs dat de 'holocaust' heeft plaatsgevonden. Dat is het, dat is al het zogenaamde 'goed gedocumenteerde bewijs' dat er is.

Kabbalistische Wiskunde

In de Kabbalistische boeken hebben de QBL-joden geschreven dat YaH heeft gezegd:
"Jullie zullen terugkeren naar Israel zonder de 6 miljoen die geholocaust worden".

+

De QBL-joden hebben in de Torah geschreven dat de Torah het woord van YaH is.

+

De QBL-joden hebben in de Torah geschreven dat alleen YaH's woord 'waarheid' is.

=

De 'holocaust' van 6 miljoen joden is echt gebeurd.

"Het feit dat er geen enkel bewijs is voor de 'holocaust', is het 'bewijs' dat het gebeurd is."

Dit betekent dat als de 'holocaust' NIET heeft plaatsgevonden;

De profetieën NIET uitgekomen zijn;
De Torah NIET YaH's woord is;
De Torah NIET de waarheid is.

Omdat er geen bewijs is moet je in de 'holocaust' geloven.

"Je kunt alleen een leugen ontkennen." Anima

Het geheim hoe binnen een dag uit deze Kabbalistische Hel te komen en weer te gaan leven zoals Wr'Alda het bedoeld heeft en Frya en onze voorouders ons geleerd hebben.

Het enige wat je hoeft te doen is de kooshere wet op de 'holocaust'-ontkenning te negeren. De 'holocaust' is de achilleshiel waar het hele YaH-theater aan vast hangt.

Dat is de reden waarom je de gevangenis in moet als je het weigert te geloven. GELOVEN.

De Achilleshiel

Het hele YaH-Theater staat of valt bij het geloof van ons Fryas in de 'holocaust'-psychose. Op het moment dat alle Fryas stoppen mee te gaan in deze psychose zal het hele YaH-Theater in rook opgaan.

Zo Simpel Kan Het Zijn

De 'holocaust' heeft
nooit plaatsgevonden

De Torah is een
Joods sprookjesboek

Het doek van het YaH-Theater valt
voor eens en altijd.

Geen 'holocaust' > Geen Torah > Geen uitverkoren volk > Geen opgedrongen Psychose > Geen YaH-Theater. Welkom in de Realiteit!

En ineens zijn alle problemen van het YaH-Theater opgelost.

Samenvatting

Ik laat de joden het zelf samenvatten:

Mishneh Torah, Foreign Worship and Customs of the Nations 1
Trans. by Eliyahu Touger, Moznaim Publishing

After many years passed, there arose people¹ - false prophets - who told [their nations] that God had commanded them to say:² Serve this star³ - or all the stars - sacrifice to it, offer libations to it, build a temple for it and make an image of it so that all people - including the women, the children, and the common people - could bow to it. He would inform them of a form that he had conceived, and tell them that this is the image of the particular star, claiming that this was revealed to him in a prophetic vision.⁴ In this manner, the people began to make images in temples, under trees, and on the tops of mountains and hills.⁵

People would gather together and bow down to them⁶ and the [false prophets] would say: This image is the source of benefit or harm. It is appropriate to serve it and fear it. Their priests would tell them: This service will enable you to multiply and be successful. Do this and this,

Dat zeg ik. 'Paganisme' is jodendom voor dat YaH bij elkaar gehallucineerd en gefantaseerd werd.

Het heeft niets met pagans of heidenen (Fryas) van doen, het zijn joden: Findas/ Finnas en bastaarden.

or do not do this or this.⁷

Subsequently, other deceivers arose and declared that a specific star, sphere, or angel⁸ had spoken to them and commanded them: Serve me in this manner. He would then relate a mode of service [telling them:] Do this, do not do this.⁹

Thus, these practices spread throughout the world. People would serve images with strange practices¹⁰ - one more distorted than the other - offer sacrifices to them, and bow down to them. As the years passed, [God's] glorious and awesome name was forgotten by the entire population. [It was no longer part of] their speech or thought, and they no longer knew Him.¹¹ Thus, all the common people, the women, and the children would know¹² only the image of wood or stone and the temples of stone to which they were trained from their childhood to bow down and serve, and in whose name they swore.¹³

Dit is copy-paste uit onze boeken.

Dit is hoe iedereen van Wr'Alda afgewend werd.

The Eternal Rock:
Wr'Alda/Walhalla:
Rupes Nigra.

En dan aan het eind uiteraard de joodse 'oplossing'.

The wise men among them would¹⁴ think that there is no God other than the stars and spheres for whose sake, and in resemblance of which, they had made these images. The Eternal Rock¹⁵ was not recognized or known by anyone in the world, with the exception of a [few] individuals:¹⁶ for example, Chanoch, Metushelach, Noach, Shem, and Ever. The world continued in this fashion until the pillar of the world - the Patriarch Abraham - was born.

Samenvatting

- De Joden hebben een script geschreven waarin YaH voor ons bij elkaar getoverd heeft:
 1. Een 'vader': Satan de duivel;
 2. Een 'moeder': Lillith de hoer;
 3. Een idool voor de Christenen: Jezus, de penis (voorhuid);
 4. Verschillende goden & demonen/engelen voor de Heidenen;
 5. Een profeet: Balaam, de perverse seks-maniak;
 6. Een zondebok: Azazel, waarop alle zonden (psychotische en psychopatische praktijken) van de joden geladen worden, zodat de joden altijd vrij van zonden blijven.

Nu kunnen ze ons satanisten, hoeren, seksmaniakken, penis-aanbidders en idolen/afgoden-aanbidders noemen.

YaH heeft gezegd dat al die perverselingen en idolen/afgoden-aanbidders dood moeten, want we mogen alleen YaH aanbidden.

Gek genoeg al die door YaH bij elkaar getoverde sprookjesfiguren zijn het erover eens dat YaH de enige god is die het universum geschapen heeft en ze werken allemaal op zijn commando.

Wow, wat een script.

Oh ja, volgens de QBL-joden heeft YaH Hitler de opdracht gegeven om 6 miljoen joden te holocausten. Het was YaH's plan. Geen wonder dat er geen Duits plan te vinden is. Het was YaH zelf die het plan schreef. Je kan het niet verzinnen.

Conclusie

- De 'pagans' en 'heidenen' in de Torah en andere kabbalistische boeken zijn de joden zelf;
- In jodendom 1.0 werden alle joodse praktijken uitgevoerd aan verschillende goden en demonen;
- die moesten in het nieuwe jodendom allemaal verdwijnen en alle praktijken moesten voortaan de nieuw bij elkaar gehallucineerde en gefantaseerde psychopaat YHWH dienen;
- 'Paganisme' is een joodse collectieve psychose, net als alle andere nieuwe psychoses: Satanisme, Nieuw Heidendom, Vampirisme, Holocaustendom. Allemaal dezelfde psychose;
- De Christenen, Islamieten en joden haten allemaal de joodse voorouders en projecteren hun joodse praktijken op de Fryas, de echte heidenen/pagans;
- Christendom was er op gericht alle Fryas, heidenen die in de realiteit leefden, te dwingen in een joodse collectieve psychose te geloven;
- Om dat voor elkaar te krijgen werd een extreme haat voor heidenen gecreëert door de joodse praktijken op Fryas, heidenen en pagans, te projecteren;
- De psychotische Germanen hebben een massa-slachting aangericht om hun eigen broeders en zusters in opdracht van de joden te vermoorden zodat de wereld in een kabbalistische psychose omgebouwd kon worden;
- De oplossing voor ons probleem is niet een andere collectieve psychose te bedenken maar om in de realiteit te gaan leven;
- Er is geen behoefte aan meer schizofrenen, er is een grote behoefte aan psychiatrisch gezonde mensen: mensen die niet geloven, die geen collectieve psychose aanhangen maar met gezond verstand, geweten en de Ewa van Wr'Alda volgend hun leven leven.

"Christianity is the most insane thing that a human brain in its delusion has ever brought forth, a mockery of everything divine."

Adolf Hitler, December 13, 1941 monologue

Een Christen \neq Frya

Een Christen is een psychotische slaaf van de joden

Conclusie

- De 'holocaust' is een collectieve psychose: holocaustendom, een religie van hallucinaties (visioenen), joodse sprookjes, kabbalistische onzin en de motivatie om de voorspellingen van profeten uit te laten komen;
 - Het idee dat Duitse Fryas, de SS onder Heinrich Himmler notabene, 6 miljoen joden gebrandofferd hebben aan YaH:
1. omdat de geur van verbrand vlees YaH behaagd;
 2. omdat YaH heeft gezegd dat alle niet-joden joden haten zonder reden;
 3. Omdat Yah heeft gezegd dat in elke generatie er mensen op zullen staan om het gehele joodse volk te vermoorden;
 4. om de voorspellingen van joodse profeten uit te laten komen en zo bewijzen dat de Torah het woord van Yah is;
- is wel zo krankzinnig, dat iemand die dat kan geloven niet alleen volslagen schizofreen is, hij/zij is zeker geen Fryas en heeft geen flauw benul wat een geweten is en hoe dat functioneert;
- De enige manier om uit deze kabbalistische hel te komen is om eendrachtig leugen-ontkenners te worden;
 - Als deze psychose uit elkaar klapt, valt de hele psychose uit elkaar.

Meer dan 100 jaar hebben de joden lopen smeken of iemand asjeblijft 6 miljoen joden wil holocausten, zodat ze Palestina kunnen gaan opeisen als zijnde Israel.

Ik begrijp echt niet waarom ze nou lopen te zeiken over die 'holocaust'. Zonder die 'holocaust' was er nu nog steeds geen Israel. Ze zouden de Duitsers op hun knietjes moeten danken dat ze in die kampen hebben gezeten. Hoe anders zouden ze aan hun 'holocaust'- sprookje zijn gekomen? Geen 'holocaust-sprookje' → geen Israel.

Ze kunnen beginnen met die honderden-miljarden Euro die ze de Duitsers hebben afgeperst terug te betalen, met rente, en publiekelijk hun excuses aanbieden voor wat ze de Duitsers hebben aangedaan met hun leugens.

Tot Slot

Volgens de kooshere alternatieve media, die 'wakker' zijn geworden en zich geroepen voelen, door YaH neem ik aan, om de 'waarheid' te verspreiden, wordt de wereld gerund door de 'Deepstate'. Die 'Deepstate' zijn uiteraard de slechterikken uit de joodse sprookjesboeken en Hollywood: De 'nazi's'. Het 'bewijs' daarvoor is een schizofrene redenering waarvan je denkt: "Daar prikt iedereen toch zo doorheen". Nee hoor, de schizofrene schaapjes die de alternatieve media volgen slikken het allemaal als zoete koek.

'Bewijs' dat de 'rassistische, anti-semitische, witte superieure 'Nazi's'' stiekem de hele wereld bezet hebben

1. Ze hebben tientallen miljoenen buitenlanders Fryasland binnengesluisd, om de profetie in het joodse sprookjeboek dat Edom (Fryasland) moet vallen anders komt de Moschiach niet, uit te laten komen;
2. Ze hebben de farmaceutische industrie opgezet die tientallen miljoenen Fryas per jaar vermoorden met chemo-therapie, vaccinaties en andere magische middelen, om de profetie in het joodse sprookjesboek dat alle Fryas dood moeten anders komt Moschiach niet, uit te laten komen;
3. Ze hebben de joden het alleenrecht gegeven om geld uit het niets te toveren dat door Fryas geleend moet worden en met rente terugbetaald, om de profetie in het joodse sprookjeboek dat de hele wereld van de joden is en Fryas al hun bezittingen aan de joden moeten geven en als slaven de joden moeten dienen, uit te laten komen;
4. Ze hebben Nationaal Socialisme, de Swastika, 'holocaust'-ontkenning strafbaar gemaakt als zijnde joden-haat, om de profetie in het joodse sprookjesboek dat alle Fryas de joden haten en de hele joodse bevolking willen holocausten, uit te laten komen;
5. Ze hebben '6 miljoen joden geholocaust', om de profetie in het joodse sprookjesboek dat de joden terug zullen keren naar Israel van alle zonden gereinigd, uit te laten komen.
6. Ze hebben de Duitsers tot miljarden Euro's per jaar aan reparatie geld gedwongen, om de 'overlevenden van de 'holocaust'' de rest van hun leven te onderhouden plus belastinggeld van alle andere Fryas om de staat Israel te financieren, om de profetie in het joodse sprookjesboek dat de Fryas de joden financieel moeten onderhouden, uit te laten komen.
7. Ze hebben alle verraders van het Duitse leger, die ervoor gezorgd hebben dat de Nationaal Socialisten WO2 verloren, de NAVO en EU mede laten oprichten, om de profetie in het joodse sprookjesboek dat er een derde wereldoorlog van Gog en Magog gaat komen, uit te laten komen;
8. Ze hebben aan alle regeringen, Israel, media, internationale bedrijven, VN, EU, NGO's, alle anti-Fryas beleid voerend, en Hollywood met zijn anti-Duitse en anti-Fryas propaganda, joden het volledige bezit en/of hoge posten gegeven, om de joden als zondebok voor hun wereldwijde complot te gebruiken.

Dit heet volgens de alternatieve media de 'Deep-State'.
Ik noem het een kooshere schizofrene zondebok psyop.

Anima Diets

Boosheid en Haat is de boosheid naar jezelf toe, projecteren op anderen.

Je stopt met boos zijn op anderen zodra je stopt met boos zijn op jezelf.

Los je innerlijke conflicten op.

De haat van joden jegens de Fryas komt van de boosheid jegens henzelf.

De boosheid dat ze zichzelf niet hebben kunnen verdedigen tegen de halve castratie en incest op heel jonge leeftijd,

Om die haat te 'legaliseren' hebben ze YaH uitgevonden: De zondebok die de schuld krijgt van hun gevoelens. Het is YaH immers die hen oproept alle anderen tot slaven te maken, te verkrachten en vermoorden.

YaH heeft de joden niet bevrijd van slavernij, YaH heeft hun slavernij 'gelegaliseerd'. De joden zullen nooit uit de slavernij komen, waar ze al sinds het begin in zitten, zolang ze hun Fictieve Persoonlijkheid (= Jood) blijven volgen.

Ze zijn slaaf van hun eigen gedachten/ Filter / Fictieve Persoonlijkheid.

P. 21

Germaanse SeeleWysheit voor Lijf op Erde in Paix en Liberteit, Anima Diets©, 2020.

Omdat in het Filter alleen leugens en fantasieën zitten, komt uit de mensen met een grote Fictieve Persoonlijkheid ook alleen maar leugens en fantasieën. De Filter functioneert op magisch denken. Via een onsamenvangende, onbegrijpelijke verklaring wordt een leugen tot "realiteit" gemaakt. Terwijl de Ratio zegt dat $1+1 = 2$, zijn zij, via magisch denken, in staat om mensen ervan te overtuigen dat $1+1 = 3$. Als je zegt dat het niet klopt wordt je verteld dat je gewoon te dom bent om het te begrijpen. Als je maar een beetje slimmer was geweest zou je weten dat het klopt. Als je vervolgens met bewijs komt dat hun leugen ondermijnt, ben je een "complotdenker", je bent "in de war" of "haatdragend": je hebt overduidelijk een hekel aan de persoon die de "waarheid" verteld. Zij zijn het "slachtoffer" van jouw "haat"-campagne. Een Fictieve Persoonlijkheid zet per definitie alles op zijn kop. Leugens worden "waarheid" en Waarheid wordt "leugens", fantasie wordt "realiteit" en Realis wordt "fantasie", respectloos gedrag wordt "respectvol" gedrag en Respectvol gedrag wordt "respectloos" gedrag, magisch denken wordt "wijsheid" en Wysheit wordt "magisch" denken.

P. 23

De beschermingsmuur, om deze Fictieve Persoonlijkheid te beschermen, bestaat uit respectloos gedrag, vernietigingsdrang, verbaal, emotioneel en/of fysiek geweld en anderen hersenspoelen om ze te laten geloven dat hun fantasie-wereld de "realiteit" is en hun leugens de "waarheid". Hoe meer fictief de persoonlijkheid is, hoe agressiever de persoon zal reageren op het kleinste teken dat de Fictieve Persoonlijkheid ontmanteld gaat worden. Een SEELE, een Verus Persoonlijkheid, is dus een gevaar voor een Fictieve Persoonlijkheid omdat deze gebaseerd is op Waarheid en Realis. Omdat het onmogelijk is een Verus Persoonlijkheid aan te vallen, is de tactiek om of de persoon te vermoorden of deze persoon in de ogen van anderen belachelijk te maken: 'karaktermoord' wordt dat genoemd, al is dat een verkeerd woord natuurlijk, een SEELE is geen karakter maar een Verus Persoonlijkheid. Het gaat erom deze persoon uit de gemeenschap te weren, fysiek of sociaal, en te zorgen dat niemand meer naar deze persoon luistert.

P. 54

4.8.2 Gedragsregel: Het gedrag waar je je het meest aan ergert bij een ander is het gedrag dat je zelf vertoont

P. 57

Andere mensen vertrouwen is ook een beslissing die jij hebt gemaakt. Als je vervolgens heel hard geconfronteerd wordt met het feit dat die persoon niet betrouwbaar was, zul je boosheid en schuld voelen. Want het was jouw beslissing om die persoon te vertrouwen. Dit is natuurlijk heel moeilijk als het

P. 58

voor het falen in het voorkomen van de traumatische ervaring. Haat is boosheid met adrenaline als gevolg van conflicten in jezelf die je projecteert op anderen. Als die boosheid verdwijnt, verdwijnt ook de haat. De enige die te lijden heeft onder wraak/haat is niet de dader/ander, die voelt hier niets van, het is jijzelf. Haat is een "frequentie" waar je SEELE niet op kan functioneren. Je verliest de SEELE-Verbind met je SEELE, met je Verus Persoonlijkheid.

Anima Diets

Geloven is het hebben van een waanidee en in politiek correcte termen: iets zonder beWys aannemen.. Als je denkt dat dat waanidee de "realiteit" is, "waarheid" is, ben je schizofreen. Als je dus beweert dat je ergens in gelooft zeg je 1) dat er geen beWys is voor het bestaan van het fenomeen, en 2) dat je een waanidee hebt waarvan jij denkt dat het in de Realis voorkomt en dus dat je schizofreen bent. Een zin beginnen met: "*Ik geloof dat.....*" zeg je zelf al dat er geen enkel beWys is en dat het niet bestaat. Een mening/waanidee die iedereen verkondigt is dat je ergens in moet geloven, want als je nergens in gelooft kun je niet overleven. Dat is nou typisch een mening/waanidee van een Fictieve Persoonlijkheid. Een Fictieve Persoonlijkheid is opgemaakt uit geloofsystemen. Zonder ergens in te geloven kan een Fictieve Persoonlijkheid niet overleven. Je wordt dus door iedereen gedwongen om een Fictieve Persoonlijkheid te creëren en je SEELE-Verbint te verbreken. Zonder geloof is er geen Fictieve Persoonlijkheid, alleen Waerheit en Realis, een SEELE. Geloven is de dood voor de SEELE en overleven voor een Fictieve Persoonlijkheid.

Geloven is als je koste wat kost het nodig hebt dat datgene wat jij gelooft "waar" is, als je identiteit afhankelijk is van dat wat er in je Filter zit. Geloven is zeker "weten" dat je "gelijk" hebt zonder dat je ooit een poging hebt gedaan om de informatie te checken, want je zegt zelf al dat je het zonder beWys hebt aangenomen. Het enige wat mensen die geloven nog wel bereid zijn te doen is dingen lezen waarvan ze al weten dat die hun geloof zal bevestigen. Het is vrij simpel in dit land om 100 mensen te vinden die hetzelfde vinden als jij. Er is moed voor nodig om naar die ene persoon te durven luisteren die iets heel anders verteld. Geloven is geen enkel puzzelstukje hebben en vervolgens beweren dat de puzzel een

291

plaatje van een paard is. Waarom "weten" mensen zeker dat het een paard is? Omdat anderen dat ook geloven. Als je vervolgens met behulp van puzzelstukjes wilt laten zien dat de puzzel over een stad gaat wordt dat weggewuifd als niet relevant, zij hebben geen puzzelstukjes nodig om te "weten" dat het om een paard gaat. Iedereen zegt dat het zo is, dus de Realis is niet relevant. Geloven is de "realiteit" geworden, en daarmee hebben we een hele cultuur gebaseerd op schizofrenie die een angst heeft voor de Realis.

Nee, natuurlijk zegt niemand dat want je Wys dat het zo is, want je hebt het beWys met eigen ogen gezien. Dit is Realis, er valt niets te geloven. Het beWys is overal om je heen zichtbaar. Je kunt alleen geloven in dingen die niet bestaan of nooit plaatsgevonden hebben. Zodra je beWys hebt gezien is er een Wyssen. Wyssen = Natuur = Realis = Waerheit. Geloven = fantaseren = fantasie-wereld = liegen. Als je zegt - *Ik geloof* - zeg je: - *Ik lieg en ik denk dat ik de "waarheid" zeg* -. Dat is de definitie van een pathologische leugenaar: iemand die op een Fictieve Persoonlijkheid overleeft, en dus alleen kan liegen, en denkt dat zijn leugens "waarheid" zijn. Denken dat jouw fantasie-wereld de "realiteit" is, is de definitie van schizofrenie. Als je die fantasie-wereld tot de "realiteit" gaat maken, ben je psychotisch.

Mensen die de Waerheit spreken, Realis benoemen, worden daarom "haters", "racisten", anti-"semieten" genoemd. Een "jood" die de Waerheit spreekt wordt een "zichzelf hatende" "jood" genoemd. Daarmee

292

wordt niet bedoeld de hormoon-gedreven emotie haat maar het niet-geloven in leugens en fantasieën. Het is belangrijk te begrijpen dat voor mensen in een psychose de Realis heeft opgehouden te bestaan. Voor hen is de Filter en de Back-Up emoties de "realiteit". Dat is voor hen de "normale" toestand. De rest bestaat niet. Vandaar dat instincten, de "ziel", emoties van de Fictieve Persoonlijkheid worden geportretteerd als zijnde menselijk gedrag en gevoelens. Voor hen is dat ook echt zo. Wat je niet hebt kun je ook niet Wyssen. Zij hebben daarom geen idee dat er zoiets is als een SEELE, geWyssen, sensis, SEELE-Verbint, Anima-Verbint, en kunnen zich daar ook niets bij voorstellen. Het probleem is dat de rest van de bevolking mee gaat in deze Psychose en de 'Neanderthaler'-taal zijn gaan spreken, een taal die niet over de Realis gaat maar over de Psychose die "realiteit" genoemd wordt. Begrijp je hoe serieus we in de problemen zitten? Ze slepen ons mee in hun Psychose, en nog erger ze zetten alles op alles om iedereen psychotisch te krijgen. Ze dwingen ons mee te helpen om hun Psychose "realiteit" te maken.

P. 294

Naast een extreem traumatische ervaring is het geloof dat er iets anders is, buiten jouw SEELE, dat jou volledig bestuurt is de effectiefste manier om je SEELE-Verbint te verbreken. Het betekent dat je niet luistert naar je SEELE om je gedachten en gedrag te gouveneren maar je volledig afhankelijk opstelt van iets waarvan je niet eens weet wat het is. Je hebt je SELFgouverenenPligt, eigen verantwoordelijkheid en eigen wil overgedragen aan iets volstrekt onbekend. Voor allen die niet in de reguliere "God" willen geloven is er nu een alternatieve "God", dit kunnen "engelen", "buitenaardse wezens", overleden "masters" zijn, etc. Het maakt niet uit zolang je maar al je eigen vermogens overdraagt en ze toeschrijft aan iets dat vliegt in de lucht, of in een andere "dimensie" of "planeet". Ergens in Vervliegistan in ieder geval, wat je niet kunt zien en dus nooit kunt achterhalen wat het eigenlijk is waar je contact mee maakt.

Anima Diets

Lijf in Wysheit betekent dat je al je geloofssystemen moet ontmantelen, dat je moet stoppen met geloven dat je “intelligent” bent omdat je een paar boeken uit je hoofd geleerd hebt, beter bent dan andere mensen omdat je een hogere bankrekening hebt en gaan realiseren dat je al die tijd bezig bent geweest gebakken lucht na te jagen, bezig bent geweest je eigen gevangenis in stand te houden. Dat is een brug te ver. Daar heb je moed voor nodig, een SEELE, en die heb je je hele overleven de mond gesnoerd. Je bent inmiddels een expert op het negeren van wat je SEELE je te vertellen heeft. Jij “weet” het allemaal zoveel beter, die SEELE is een lastpost die je alleen maar ongelukkig en bang maakt, waar je niets mee te maken wilt hebben. Hoeveel makkelijker is het dat anderen jou vertellen wat je moet denken en wat je moet doen. Geen verantwoordelijkheid, nooit geen schuld, nooit geen moed nodig. Gewoon de massa volgen, bevelen opvolgen en niet nadenken. Want van nadenken word je bang, niet doen dus, gewoon

298

doorgaan met waar je mee bezig bent, onderwijl klagend dat het allemaal de schuld van anderen is dat jij je ongelukkig voelt.

P. 366: De zondebok cultuur:

“Fryas zijn schuld aan alles dat verkeerd gaat in de wereld.”

De overheerser en media (staats-propaganda) zijn dag in dag uit bezig jou angst en een schuldgevoel aan te praten om te zorgen dat je steeds verder van je SEELE-Verbint verbroken wordt. Met fantasie verhalen over fictieve “slachtoffers” word je continu geconfronteerd hoe “in en in slecht” je bent. Uiteraard is al deze “schuld” alleen van toepassing op de Germaanse bevolking, de rest van de wereld treft nooit schuld, zij zijn allemaal “slachtoffer” van onze genetisch bepaalde “crimele en moorddadige” SEELE. Hier een rijtje van de opties die ons dagelijks voorgeschoteld wordt. Sommige van deze absurditeiten worden uitgebreid behandeld in dit boek, van de anderen hoop ik dat je zelf met Wysheit kunt beredeneren wat een kletsboek dit is.

P. 389

Jij alleen hebt de oplossing in handen, want jij alleen hebt het probleem in handen.

JA, IK BEN EEN LEUGEN-ONTKENNER.

**ALS JE DAAR EEN PROBLEEM MEE
HEBT:
ZOEK EEN PSYCHIATER OM JE
BEKLAG TE DOEN.
IK BEN NIET GEÏNTERESSEERD.**

Alleen een Leugen, de Fictieve Persoonlijkheid,
kan beledigd worden

De Waerheit, de SEELE,
kan nooit beledigd worden

Je wordt in gijzeling gehouden dmv:

**De 'holocaust' psychose;
Scheldwoorden: racist, anti-semiet, 'holocaust'-ontkenner;
Politiek Correcte Censuur;
Vermeend superieur gevoel van Fryas;
Jouw zorg voor andere mensen.**

Bevrijd jezelf van deze gijzeling: Stop de onderdanige knuiperij.

**Wij Fryas hoeven ons nergens voor te schamen.
Onze voorouders hebben alles wat mooi en goed is in deze wereld geschapen.
Laat je niet kleineren door de volken
die alles wat Fryas geschapen hebben vernield hebben.**

**Sta Op en Wees Standvastig: Wij zijn Fryas, Wij zijn Onze Eigen Autoriteit.
Geen ander volk schrijft ons hun wet voor:**

Wij hebben Éwa, Wij hebben Moed.

EEN VOLK DAT NIET RASSISTISCH IS,

IS TEN DODE OPGESCHREVEN.

Laten we allemaal stoppen met te 'vechten voor vrede' en laat iedereen zijn eigen SEELE Liberteit geven. Jij zelf bent degene die jouw wereld kan ontdoen van een dictator, de dictator in jouw hoofd. De Fictieve Persoonlijkheid is de parasiet die jou een slaaf maakt om aan zijn verslavingen, zijn verlangens en behoeften, te voldoen. Je bent zelf een slaaf van de ergste dictator die er is: Jouw eigen Fictieve Persoonlijkheid. Dus als je een revolutie wilt voeren, als je de slavernij wilt afschaffen, als je van dictators

391

af wilt: Geef je SEELE Liberteit en ontmantel je Fictieve Persoonlijkheid. Dat is de enige reale revolutie die Paix en Liberteit tot gevolg heeft.

P. 392

Je Fictieve Persoonlijkheid is een paranoïde, schizofrene, parasitaire, psychopathische, vernietigende verslaafde, je moet je daar van ontdoen als je een Respectvolle, Eerlijke, SELF-voorzienende, Betrouwbare, SELF-vertrouwende, Creatieve persoon wilt zijn, als je een Lijf in Paix & Liberteit wilt hebben.

Ben de Waerheit, ben de Realis, wees jeSELF. Verbeter de wereld door je 8 Natuur Pligten na te komen en ontdoe jeSELF van alle mishandelingen die je je SEELE nu aandoet.

(011) Tex Fryas.

Heil is bij de Frya (Vrijen), op het laatst zullen zij mij weder zien.

Doch alleen diegene kan ik als vrij kennen die geen slaaf is van een ander noch van zijn gedachten.

Je bent geen Frya als je gelooft in (vul maar wat in)

De QBL-joden zijn 100% Fictieve Persoonlijkheden:

Paranoïde;

Schizofreen;

Parasitair;

Psychopatisch;

Vernietigend;

Slaaf.

Ze kunnen alleen maar liegen, omdat de Filter alleen maar leugens bevat. De Fictieve Persoonlijkheid projecteert de volledige inhoud van de Filter op anderen.

Anti-Semitism is not about the fear of Jews that we will kill them.

it is about the fear of Jews that we will stop them from killing us.

Fryas Sta Op

Fryas Sta Op

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Frya kijkt en Frya huilt
Ziet hoe onze deugd vervuult
Wie kan zeggen ik ben vrij?
Vrij van baas en filterbrij?

Sorry Frya wij zijn slaaf
Lui en dom en veel te braaf
Maar lieve Frya wij staan op
Psychose gaat nu op de schop

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Fryas kinderen wereldwijd
Kom tesamen, uit je spijt
Veel te lang ging dit al door
Veel te lang was er geen gehoor

Wil je leven net als toen
Geef je Seele een dikke zoen
Wijsheid, Vrijheid is wat ze geeft
Recht en Vrede voor al dat leeft

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Wees standvastig, heb de Moed
Te staan voor volk en voor ons Goed
Fryas raad en Seele Pligt
Éwa die in onze Seele ligt

Moed is wat het nodig heeft
Zo veel dat de aarde beeft
Schudt het kwaad van je lijf oh Aarde
Het spijt ons dat we zo ontaarde

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

Als morgen weer de zon opkomt
Hebben wij de filter leeggegomd
Bazen en leiders doen ons niets
Zolang wij praten in het Diets

Een nieuwe dag breekt nu snel aan
Fryas volk zal op gaan staan
Tegen onrecht, tirannij
Tegen leugens, slavernij

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak

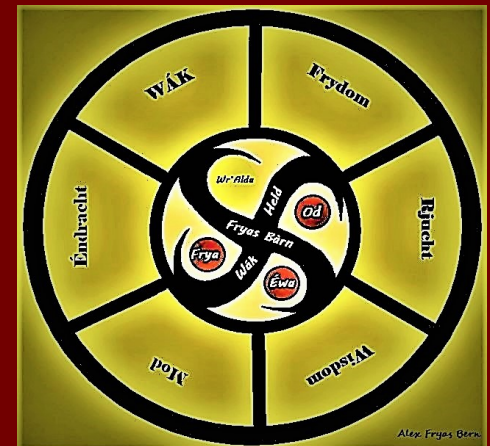

Wie kan zeggen ik ben echt
Ik heb mijn filter al beslecht
Moed is wat ik over heb
Ik ben niet langer in hun web

Vrijheid is waar ik voor sta
Wijsheid, Recht is waar ik voor ga
Nooit meer leugens en bedrog
Voldoende zelf-dwang heb ik nog

Weg met mening en geloof
Weg met slinkse Seele roof
Weg met slavernij en kwaad
Tyd voor Moed en Tyd voor daad

Vrijheid, Wijsheid, Recht en Moed
Wr'Alda is ons aller Goed
Eendracht is ons sterkste kracht
Eendracht geeft ons allen macht
Fryas volk zeg Held en Wák
Zeg het nogmaals, zeg het vaak
